

Kappa Kappa Psi Service Questionnaire

1. What do you think are our strengths in regards to service **within** the band/department?
2. What are our weaknesses? Are we missing opportunities to serve (ex. maintaining the dept, communicating with Art, welcoming freshman, etc.)?
3. What past service project has been most satisfying or fulfilling for you? Why?
4. The service project last semester created good momentum for us for service in the community. Ideally, would you like to see us extend more into the Hudson Valley this semester or stay focused on our internal service? Why or why not?
5. On the back, please list any specific service project ideas or suggestions.
