- The Kappa Kappa Psi Alumni Association (“KKPsiAA”) is managed by the eight-member Board of Directors (“AABOD”). The AABOD members are available to provide assistance to chapter Alumni Relations Officers on a variety of topics upon request.
- A Facebook group has been established to serve as a networking forum for all Kappa Kappa Psi Alumni Relations Officers and to ask questions of the KKPsiAA. If you have not yet been added to this group, please contact the AABOD Outreach Director.
- The KKPsiAA has a quarterly newsletter called The Encore. Check out each edition of The Encore for information on current alumni-oriented events, opportunities for engagement with the KKPsiAA, and articles related to alumni life. Alumni can subscribe to the newsletter by filling out this form: [bit.ly/2NffEV8](http://bit.ly/2NffEV8).
- The AABOD has developed an Alumni Handbook to provide guidance to all Alumni, Life, and Honorary Brothers of the fraternity. This handbook outlines organizational features of the KKPsiAA, presents important policies of the fraternity and its Alumni Association, and discusses how brothers can continue to contribute to the Fraternity through continued participation and involvement, financial donations, and recognition of outstanding brothers.
- In 2018, KKPsiAA launched a pilot mentorship program for new Alumni. Interested graduating seniors are paired with established Alumni in related fields of work based on geographic proximity and similarity of interests. Interested graduates should plan on applying in May of each year.
