The You Matter Manifesto
Angela Maiers

You are Enough!
You Have Influence.
You Are a Genius.
You Have a Contribution to Make.
You Have a Gift to Give, That Others Need.
You Are the Change.
Your Actions Define Your Impact.
You Matter!

As the Vice President of Membership, you are the chief educator of your chapter. Your chapter has entrusted in you the responsibility to educate the future Brothers and leaders of the Fraternity. This manifesto reaffirms the belief that you will add value to the fraternity, encourage and support potential members, and embody the lessons of the ritual through your actions as a leader and Brother.

Each member of this Fraternity, regardless of background or creed, is an integral part of our work, our history, and our future. Never forget your responsibility to each and every member of your membership class and chapter. You are enough, and your actions will leave a legacy of excellence long after you are gone.

A NOTE TO THE VICE PRESIDENT OF MEMBERSHIP

Welcome! Congratulations for being elected as the Vice President of Membership for your chapter. This is both an honor bestowed and a privilege granted. Your role in educating the Membership Candidates of your chapter is one of the most important responsibilities of any position in the Fraternity, as you are developing the future leaders of your chapter.

Kappa Kappa Psi National Honorary Band Fraternity has created the National Membership Education Program: The Road to Wisdom to assist chapters in developing and delivering the best educational experience possible. Membership Candidates will learn about the values and beliefs of Kappa Kappa Psi through your guidance as Vice President of Membership and the use of this program. The Road to Wisdom is the foundation of building a positive life-long Brotherhood experience.

The purpose of The Road to Wisdom is to ensure that each future Brother, regardless of initiating chapter, is receiving the same national standard of education and training. Kappa Kappa Psi strongly believes in a period of education for individuals to become familiar with the structure, organization, and history of the Fraternity. This should be a period of positive encouragement with the objectives of reaffirming fraternal values, developing leadership skills and other talents, and identifying the responsibilities and benefits of membership in Kappa Kappa Psi.

Throughout the Vice President of Membership Teaching Manual and the Membership Candidate Guidebook, the Vice President of Membership (VPM) is the primary instructor of this Program. The VPM should involve the Chapter Sponsor and Director of Bands in the membership education program, and inform them of all activities. The VPM can also create a membership committee to assist in coordinating and facilitating the education of Membership Candidates.

Kappa Kappa Psi recognizes many chapters have traditions within its membership activities. The content provided in the lessons cannot be removed or altered, but approved activities can be added to enhance the overall program, as long as the activities align with the values of our Ritual, Risk Management Policies of Kappa Kappa Psi, and your college or university policies. Any additions to this program should be done in consultation with your District Governors and submitted as an activity review to the National Curriculum Committee. Completing an unapproved activity may result in disciplinary action.

The Road to Wisdom is a blueprint for excellence. We hope this program teaches the fundamentals of being an effective member of Kappa Kappa Psi, so that the chapter and the Fraternity might enjoy the future leadership of all who take the journey.

**CURRICULUM DO’S & DON’TS**

- **LESSON ACTIVITIES**
  Lesson activities can be changed or created to meet the needs of your MC Class.

- **GUIDING QUESTIONS**
  Can be decided by you to enhance the learning environment.

- **CANDIDATE RESPONSE**
  Designed to be completed in or inside the MC Meeting. It could be a group discussion where the candidate records their notes or an individual response.

- **FILL IN THE BLANK**
  Again, you control the meeting environment. If the MC class is not engaged in the fill in the blank activity provided for the lecture, this is not mandatory.

- **GUIDED NOTES**
  If the guided notes do not suit your MC class, you have the opportunity to create what suits the overall learning style - as long as the wording of the content does not change. Additional information may be added if desired (e.g., more information about Boh).

- **CONTENT**
  The learning intentions and summary of week’s information are the only components that cannot differ from *The Road to Wisdom*.

- **TESTS AND QUIZZES**
  Assessments such as tests and quizzes these cannot be added to the curriculum. There are review sheets, a portfolio project and activity bank of ideas provided to help ensure the information is being taught correctly. The portfolio acts as the final examination that chapters typically administer at the end of the program.

GETTING STARTED –
PLANNING THE NATIONAL MEMBERSHIP EDUCATION PROGRAM

This Vice President of Membership Teaching Manual is designed to provide instructional strategies and best practices to assist you in delivering a high quality National Membership Education Program. The VPM is encouraged to use additional resources to enhance the quality of the program and will need sufficient preparation and planning to deliver a meaningful educational experience for Membership Candidates as they travel on The Road to Wisdom.

When preparing for instruction of the Membership Candidates, the VPM will need to gather the materials and resources that are outlined in each individual lesson.

The Vice President of Membership Checklist (Appendix K) is a helpful tool to document the activities, lessons, and events that will happen throughout the Membership Education Program. It is to be used as a master planning document to help outline the semester or time period that will be passed during the Membership Education Program. This document will become the Event Calendar that will be provided at the MC Orientation Meeting.

The Chapter is responsible for supplying the Membership Candidates with the Membership Candidate Guidebook. The Membership Candidate Guidebook is provided to each individual Membership Candidate at the orientation meeting and can be provided in a printed format or shared electronically.

The following documents should be readily available to Membership Candidates throughout the course of the National Membership Education Program:

- Membership Education Program Calendar (created by VPM in Planning Document)
- Chapter Event Calendar
- Chapter Constitution
- National Constitution
- Risk Management Policies
- Risk Management Policy Acknowledgement
- Chapter Roster (indicate officers and committee chairs)
- District and National specific information
- Greek Alphabet
- Chapters & Greek names of other Chapters in the District
- District Officers’ names, positions, and their contact information
- National Officers' names, positions, and their contact information
- National and Chapter dues information (Appendix B)
- Chapter and Band History
- Any other Chapter specific information as it relates to the Membership Education Program (projects, etc.)
Important Note:
Membership Candidate Registration & Risk Management Policy Form

The Membership Candidate Registration (MCR) form in the OMRS is how the chapter notifies National Headquarters who is going to be a part of the Membership Education process, “The Road to Wisdom”. This report is completed by the Chapter Vice President for Membership with candidate information. Double check your work for accuracy as this is the information to be printed on membership shingles.

How to Submit: Complete the Membership Candidate Registration in the OMRS with candidate information. When you are ready to submit, press the “Submit” button at the bottom of the form. Your submission will be reviewed, and you will receive an email notification with further instructions. (If you are not ready to submit, you can save your progress and submit later by pressing the “Save Draft” button below.)

Once submitted for approval, you can print a copy of this report from a non-Firefox browser using the Print Summary Page button and gather signatures for all Membership Candidates listed on this form.

The form must be submitted no later than seven (7) days following the date of First (1st) Degree. After that date, the form is considered late.

A Note on Membership Candidate Terminology

An individual is not recognized as a Membership Candidate until they have been decorated with the official Membership Candidate Pin and have successfully completed Ritual of the First Degree.

Individuals who are seeking membership, have received a bid, or have expressed interest in Kappa Kappa Psi do not have a title, nor are they affiliated with Kappa Kappa Psi.

More information on Appropriate Terminology Usage is available in Appendix J. PLEASE REVIEW THIS APPENDIX PRIOR TO BEGINNING YOUR PROGRAM.
FEATURES OF THE LESSON PLANS

The Road to Wisdom is *recommended* for an eight-week education program. However, the length can be adjusted to fit the needs of your program, based on your respective college or university campus requirements.

**THE FOLLOWING FEATURES ARE PROVIDED IN EACH OF THE LESSON PLANS:**

**LEARNING INTENTIONS** – These are the instructional goals for each lesson. This is what Membership Candidates should know and be able to achieve as a result of the instruction and activities of the lesson.

**REQUIRED ATTENDEES** – These individuals must be present during the lesson. (e.g. Membership Candidates, Active Members.)

**RECOMMENDED ATTENDEES** - The presence of these individuals can enhance the quality of the lesson but are not required to be present. (e.g. Director of Bands, Sponsor, Honorary Members.)

**MATERIALS NEEDED** – This indicates what materials you will need to execute the activities of the lesson.

**PREPARATION** - This indicates the estimated time needed to teach the lesson plan, broken down into segments. It also details the format of the lesson and everything you will need to present and cover during the lesson, including a **Summary of the Week’s Information**.

**DESCRIPTION OF INSTRUCTION** - This details how and what to teach for each lesson. This section includes information from the Membership Candidate Guidebook to keep you on track with your instruction, as well as Lesson Activities.

**GUIDING QUESTIONS FOR DISCUSSION** - Within the **Description of Instruction**, there are sets of questions to help the VPM facilitate discussion during each meeting.

**MEMBERSHIP CANDIDATE RESPONSE** - These are questions, activities, or forms that the Membership Candidate will complete or answer in the Membership Candidate Guidebook.

**ADDITIONAL SUGGESTED ACTIVITIES** – These are activities that you can facilitate with the Membership Candidates to help emphasize the material or information during instructional time.
The Road to Wisdom is easy to follow and implement when using all documents provided by the Fraternity, which are outlined below.

DESCRIPTION OF INSTRUCTION:

PART I: OVERVIEW OF THE MEMBERSHIP EDUCATION PROGRAM:
(20-25 MINUTES)

1. The Vice President of Membership (VPM) will begin the lesson with everyone in the room introducing themselves. This can include an ice breaker activity if desired. The room should be set up in a comfortable format to facilitate discussion.

2. After introductions have been made, the VPM should provide an overview of the membership education program for all individuals. The VPM will also review the Membership Candidate calendar, which the VPM should create and approve through the chapter prior to this meeting.

OVERVIEW OF THE NATIONAL MEMBERSHIP EDUCATION PROGRAM:
THE ROAD TO WISDOM

The Kappa Kappa Psi National Membership Education Program: *The Road to Wisdom* is an eight-lesson program focused on educating Membership Candidates on our core values of Musicianship, Leadership, and Service. Throughout this Program, you will develop a thorough understanding of the work of Kappa Kappa Psi and how we promote and advance college and university bands. The Fraternity is dedicated to your development as a better musician and leader for your band program, and the lessons of this Program are designed to do just that.
KAPPA KAPPA PSI NATIONAL MEMBERSHIP EDUCATION PROGRAM ORIENTATION MEETING.

All individuals will review the fraternity’s national policies and receive an overview of the Kappa Kappa Psi National Membership Education Program: The Road to Wisdom.

THE FIRST LESSON: OUR WORK MATTERS
Membership Candidates will develop an understanding of the national organization of Kappa Kappa Psi through analyzing the Mission and Vision statements, Preamble, Creed, and National Brand of Kappa Kappa Psi (Musicianship, Leadership, Service).

OUR SERVICE MATTERS
Membership Candidates will discuss the following topics: the first purpose of Kappa Kappa Psi, band and chapter history, fraternity service, and other music/campus organizations that may impact chapters.

YOUR CHAPTER MATTERS
Membership Candidates will review the national report submissions and Online Membership and Reporting System (OMRS), as well as the chapter’s constitution and officer structure. Membership Candidates will elect class officers in this lesson.

OUR LEADERSHIP MATTERS
Membership Candidates will describe the importance of high quality leadership and cultivate an understanding and development of specific leadership styles and skills.

OUR MUSICIANSHIP MATTERS
Membership Candidates will analyze and evaluate the influence of musicianship as a core value of Kappa Kappa Psi and the fraternity’s musical contributions to the college/university band movement.

OUR BROTHERHOOD MATTERS
Brothers and Membership Candidates will engage in a series of conversations about the relationship between values, Brotherhood, leadership, and Kappa Kappa Psi.

OUR FRATERNITY MATTERS
Membership Candidates will be exposed to the National and District levels of Kappa Kappa Psi.

THE FINAL LESSON: A LIFELONG COMMITMENT
Membership Candidates and the active Brothers will begin to merge as one cohesive chapter through team building activities and shared experiences.
PROJECT PLANNING AND DEVELOPMENT

SERVICE PROJECT:
Service is a part of Kappa Kappa Psi’s identity and a cornerstone of the National Brand. It is an integral part of the operation of your local chapter of Kappa Kappa Psi. Brothers of Kappa Kappa Psi are often looking to identify a void in the band program and fill the void through their service. A conversation with your Director of Bands and/or Chapter Sponsor regarding the needs of the band program can be incredibly helpful as you plan and execute a service project with your Membership Candidate class and the active chapter. Your Membership Candidate class will work with the chapter officer who oversees service within your chapter to help develop and execute a service project.

FUNDRAISER:
Successful fundraisers should have a purpose, and in Kappa Kappa Psi, the purpose of a fundraiser should support the band program. It is important to set goals and determine how much money is needed to fund the anticipated project. One of the endeavors for the Membership Candidate class is to execute a fundraiser. The Membership Candidate class will work collaboratively with the Chapter Treasurer to help develop and execute the fundraising project.

Please see Appendix A for a list of Service and Fundraising project ideas.

PORTFOLIO PROJECT:
The Portfolio Project is an ongoing reflection of learning from the membership candidacy. The purpose is for Membership Candidates to reflect on their experience, and highlight meaningful learning moments throughout the process. There is a list of options for the project, but they may wish to create something outside of this list, which is permissible. The Portfolio project should be worked on throughout the Membership Candidacy. As Vice President of Membership, check in with the class each time you meet to evaluate progress on this project. This is a required piece of the Road to Wisdom. Portfolio Project Presentations should occur in the Final Lesson.

GUIDING QUESTIONS FOR DISCUSSION:
• Service is a part of the national brand of Kappa Kappa Psi. What should be considered when developing and organizing service projects?
• What is the goal of service projects?
• Why is it important to chapter operations to set project goals for fundraising?

FISCAL RESPONSIBILITY:
Kappa Kappa Psi is a National Honorary Band Fraternity. This means the new member will pay dues to the National Organization, which covers the cost of the membership recognition materials post-initiation, fees associated with national programs for students, and costs associated with management of the organization such as insurance and operation of National Headquarters. Chapters may also charge local dues.

Chapters should clearly explain the purpose of local dues so that members understand the purpose of this fee. Please see the Paperwork and Fees Grid Appendix B for a detailed list of National Fees and information due to the National Chapter.
GUIDING QUESTIONS FOR DISCUSSION:

- What is the impact of your financial obligation to the national organization?
- What do you think your dues pay for (nationally and/or locally)?

PART II: MATERIALS PROVIDED TO MEMBERSHIP CANDIDATES (10 MINUTES)

*Materials will be provided to you at First Degree of the Ritual.*

The Vice President of Membership will review the Membership Candidate Pin and Guidebook with candidate class.

**THE MEMBERSHIP CANDIDATE PIN:**
At the First Degree of the Ritual, each Membership Candidate will be given a Membership Candidate Pin. This is a lapel pin of blue and silver, with symbols inscribed thereon that identifies them as a Membership Candidate of the Fraternity. It is to be worn on the left side, over the heart. It is not to be worn on sweatshirts, sports uniforms, or on the band uniform. Any exceptions for other occasions or situations will be explained by you, as Vice President of Membership. This pin should not be worn at all times. If advising to do so, please note that this is not in line with our Policy on Hazing.

**THE MEMBERSHIP CANDIDATE GUIDEBOOK:**
The Membership Candidate Guidebook is to be used as an instructional tool for your Membership Education Program. All lesson information within the Membership Education Program, as well as documents within the Appendix and additional chapter specific information can be found in your Membership Candidate Guidebook. The Membership Candidate Guidebook is not intended to be a secret document and should not be treated as such. Please be advised that any instruction to carry your Membership Candidate Guidebook, any book, or any other object at all times is not in line with Kappa Kappa Psi’s Policy on Hazing.

GUIDING QUESTIONS FOR DISCUSSION:

- When should the Membership Candidate pin be worn?
- What is the purpose of the Membership Candidate Guidebook?
- Why does the fraternity decorate its members with a Membership Candidate Pin? What does this signify to others?
MEMBERSHIP CANDIDATE RESPONSE:

- What questions do you have regarding Kappa Kappa Psi or the National Membership Education Program?

Using the Risk Management document, the VPM will review the rest of the fraternity’s policies, including:

a. Policy on Hazing
b. Policy on Alcohol and Controlled Substances
c. Policy Against Discrimination
d. Policy on Membership Candidate Terminology
e. Policy on Sexual Misconduct
f. Stance on Branding/Scarification
g. Convention Attendance Policy
h. Guidelines on Member Presentation Shows
i. Policy on Affiliate Groups

After reviewing the policy documents, the VPM should re-state the line of communication to report any suspected violations of policy.

Line of communication to report violations
- VPM/Chapter President
- Sponsor/Director of Bands
- District Governor
- National Vice President of Colonization and Membership/National President

Policy Violations can also be reported on the Kappa Kappa Psi National Website.

After the policy review and discussion, the Membership Candidates will then sign the Candidate Registration Form.

THE VICE PRESIDENT OF MEMBERSHIP MUST SUBMIT THIS TO NATIONAL HEADQUARTERS WITHIN 7 DAYS OF FIRST DEGREE. BE SURE TO GIVE INDIVIDUALS A DATE AND TIME FOR FIRST DEGREE BEFORE THEY LEAVE.

Review of Relevant University Policies:
Chapters should cover any required or relevant university polices regarding membership education. If this required by your university, please follow your university process and policies. This could include university policies around hazing, discrimination, length of new member period, or other relevant topics.
KAPPA KAPPA PSI
NATIONAL HONORARY BAND FRATERNITY

Risk Management Policies
POLICY ON HAZING

No chapter, colony, student member, membership candidate or alumnus of Kappa Kappa Psi or Tau Beta Sigma shall conduct nor condone hazing activities. Permission or approval by a person being hazed is not a defense.

Hazing activities are defined as:
“Any action taken or situation created that produces mental or physical harm, discomfort, embarrassment, harassment, or ridicule. Such activities may include but are not limited to the following: use of alcohol, paddling in any form, line ups for the purpose of intimidation, creation of excessive fatigue, physical and psychological shocks, quests, treasure hunts, scavenger hunts, unnecessary road trips, wearing of public apparel which is conspicuous and not normally in good taste, engaging in public stunts and buffoonery, morally degrading or humiliating games and activities, and any other activities which are not consistent with academic or musical achievement; Kappa Kappa Psi/Tau Beta Sigma law, ritual or policy; or the regulations and policies of the educational institution, band program, or applicable state law.”

The chapter shall hold a hazing workshop prior to First Degree. This workshop will inform prospective members of the hazing policy, the chapter membership education program, and a line of communication to follow if the prospective members feel hazing may be occurring. A recommendation for the line of communication is to first contact someone in the prospective member’s chapter (i.e. chapter vice president in charge of the Membership Education Program or big sibling, etc.), followed by the sponsor and director of bands, then the district governor or counselor. The National Headquarters will be made aware of any reports of hazing and will act appropriately. The chapter should understand that their charter will be revoked if hazing is found to be occurring.

POLICY ON ALCOHOL AND CONTROLLED SUBSTANCES

Recognizing its responsibility for the social well-being and welfare of its members; and with the objective that the social atmosphere and environment of its chapters be one in harmony with the spirit and ideas of these fraternal organizations; Kappa Kappa Psi Fraternity and Tau Beta Sigma Sorority adopt this policy related to fraternity and sorority events.

1. The possession, sale, use, or consumption of ALCOHOLIC BEVERAGES during a Kappa Kappa Psi or Tau Beta Sigma event, in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the organization(s) must be in compliance with any and all applicable laws of the state, province, county, city, institution of higher education, and band program and must comply with the Social Event Third Party Vendor Checklist. http://kkytbs.org/forms/SocialEventThirdPartyVendorChecklist.pdf

2. No alcoholic beverages may be purchased through or with Kappa Kappa Psi or Tau Beta Sigma funds, nor may the purchase of alcohol for members or guests be undertaken or coordinated by any member in the name of or on behalf of the chapter (i.e. pass the hat or collection). The purchase or use of a bulk quantity or common source(s) of alcoholic beverage (i.e. kegs, cases, or open bars) is prohibited. Also, Kappa Kappa Psi or Tau Beta Sigma chapters are prohibited from hosting BYOB events.

3. OPEN PARTIES, meaning those with unrestricted access by non-members of the fraternity or sorority, without specific invitation, where alcohol is present, are prohibited. All social events with alcohol must have an enforced guest list.

4. No members, collectively or individually, shall purchase for, serve to, or sell alcoholic beverages to any minor (i.e., those under legal drinking age).

5. The possession, sale, or use of any ILLEGAL DRUGS or CONTROLLED SUBSTANCES during any Kappa Kappa Psi or Tau Beta Sigma event or at any event that an observer would associate with the organization(s) is strictly prohibited.

6. Kappa Kappa Psi or Tau Beta Sigma chapters may not have any alcoholic beverages at any chapter business meeting or service event. Chapters may not provide alcohol for any fundraising event. Chapters may not promote any non-Kappa Kappa Psi or Tau Beta Sigma event where alcohol is being
provided or uses alcohol as an incentive to promote any events. This includes using social events/parties as fundraisers where alcohol is present.

7. No chapter(s) of Kappa Kappa Psi or Tau Beta Sigma may co-sponsor an event with a tavern (tavern defined as an establishment generating more than one-half of annual gross sales from alcohol) at which alcohol is given away, sold, or otherwise provided to those present. This includes any event held in, at, or on the property of a tavern as defined above for purposes of fundraising. However, the chapter(s) may rent or use a room or area in a tavern as defined above for a closed event held within the provisions of this policy, including the use of a third party vendor and guest list. An event at which alcohol is present may be conducted or co-sponsored with a charitable organization if the event is held within the provisions of this policy.

8. No chapter(s) of Kappa Kappa Psi or Tau Beta Sigma may co-sponsor, co-finance, attend, or participate in a function at which alcohol is purchased by any of the host chapters, groups, or organizations.

9. All recruitment activities or new member events associated with any chapter(s) of Kappa Kappa Psi or Tau Beta Sigma will be non-alcoholic. No recruitment activities or new member events associated with any chapter may be held at or in conjunction with a tavern, as defined in this policy.

10. No member or prospective member/membership candidate shall permit, tolerate, encourage, or participate in “drinking games.” The definition of drinking games includes but is not limited to the consumption of shots of alcohol, liquor, or alcoholic beverages; the practice of consuming shots equating to one’s age; “beer pong;” “century club;” “dares;” or any other activity involving the consumption of alcohol which involves duress or encouragement related to the rapid consumption of alcohol.

11. No alcohol shall be present at any prospective member/membership candidate activity or ritual of the chapter. This includes but is not limited to activities associated with “bid night,” “big brother – little brother” events or activities / “big sister – little sister” events or activities, “family” events, or initiation.

POLICY AGAINST DISCRIMINATION
The Kappa Kappa Psi Fraternity and the Tau Beta Sigma Sorority expressly prohibit discrimination by any component part of the Fraternity or Sorority or by any person acting on behalf of the organizations on the basis of race, ethnicity, color, national origin, sex, ability status, religion, age, marital status, veteran status, gender identity or expression, or sexual orientation.

POLICY ON MEMBERSHIP CANDIDATE TERMINOLOGY
At the 1991 National Conventions of Kappa Kappa Psi and Tau Beta Sigma, the national Chapters decided to no longer recognize the word “pledge” or any form thereof as a term to refer to the prospective members of the Membership Education Program. The decision was made at the same time that the Membership Education Programs of the Fraternity and Sorority were revised to promote the positive education of all prospective members throughout the process. In doing so, information within the programs that had any negative connotation suggesting hazing was removed, including any references to the word “pledge.” It is therefore imperative to remove any references to the word “pledge” from all chapter documents, including Membership Education Programs, Constitutions, and any other handbooks on policies and procedures in order to fully comply with the current standards of the National Organizations.

POLICY ON SEXUAL MISCONDUCT
Kappa Kappa Psi and Tau Beta Sigma do not tolerate or condone any form of sexual misconduct on the part of its members, whether physical, mental or emotional. This includes any actions, activities or events, whether on university premises or off-site locations, which are demeaning to a person regardless of their sex or gender expression, including but not limited to verbal harassment, sexual discrimination, and sexual assault. Chapters and members will operate in such a manner as to exhibit respect, care, and concern. No
A chapter will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental, or emotional. This includes any actions that are demeaning to an individual, ranging from assault to harassment or the objectification of individuals.

2. A chapter will not sponsor or participate in any activity, including competitive games, community service, or philanthropic endeavors, activities associated with recruitment, social events, or events that are abusive or demeaning or could be perceived to be abusive or demeaning to others.

3. All chapters will educate its members on this policy each year as part of its review of all Risk Management Policies.

What is sexual misconduct?
Sexual misconduct encompasses unwanted or unwelcome conduct of a sexual nature. Anyone can be a victim or perpetrator of sexual misconduct, regardless of their sex, sexual orientation or gender expression. Sexual misconduct can involve conduct that occurs on campus, off-campus, or via electronic means, including online, by social media, or by text. Sexual misconduct may include, but may not be limited to, the following:
- Adverse treatment of an individual, including ridicule, based on sex, gender, or gender expression, rather than individual merit.
- Unwelcome verbal, nonverbal or physical conduct of a sexual nature. This can occur in a context of relationship of unequal power.
- Physical sexual acts committed when consent is not received, a person is physically forced, intimidated or coerced into a sexual act, or when a person is physically or mentally unable to give consent. Consent must be freely given. Consent must be the presence of “yes” not the absence of a “no.” Finally, someone who is has consumed alcohol or is intoxicated is not able to give clear consent.
- Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer emotional distress.

Sexual Misconduct can manifest in a variety of behaviors and it exists on a continuum. Verbal abuse or sexist behavior may include but is not limited to:
- whistling
- humor and jokes about sex or individual specific traits
- suggestive or insulting sounds
- sexual innuendoes about your or someone else’s personal appearance
- sexual innuendoes about your or someone else’s sexual activities
- demands for sexual favors accompanied by implied or overt threats

Physical abuse may include but is not limited to:
- any inappropriate touching, pinching or patting
- brushing against someone else’s body
- Sexual acts without the consent of the other party
- Sexual acts when the other party is physically or mentally unable to give consent

STANCE ON BRANDING/SCARIFICATION
Branding/Scarification is the modification of the human body through burning, cutting or other types of abrasion to the human skin and other areas. Branding/Scarification has increased risk of infection, slow healing third degree burns, internal injury, unintended permanent disfiguring deformities, and other medical issues. It is seen as causing “physical harm and discomfort” or providing a “physical shock” as outlined in the hazing policy.

The practice of Branding/Scarification or other forms of body modification that are associated with Kappa Kappa Psi/Tau Beta Sigma in an unlicensed environment are “not consistent with academic or musical achievement; Kappa Kappa Psi/Tau Beta Sigma law, ritual or policy; or the regulations and policies of the educational institution, band program, or applicable state law.”

Consequently, those who engage in the act of branding/scarification or other forms of modification in relation to Kappa Kappa Psi/Tau Beta Sigma could be found in violation of Kappa Kappa Psi/Tau Beta Sigma policy and are subject to action from the National Council. This includes forced or coerced body modification at licensed establishments.
Always remember that willingness to consent to behavior is not a defense for hazing.

**CONVENTION ATTENDANCE POLICY**

As Kappa Kappa Psi and Tau Beta Sigma have moved forward, both organizations have had to confront the realities of risk management. Among those realities is the need to make sure that everyone who takes part in the offerings of our active organizations must be sharing in the cost of insurance, and registering as a participant who follows our policies, just as our active members must do for their participation. From this point forward, for all six districts’ conventions and the National Convention, alumni attending conventions must have either a Life Membership or a current National Kappa Kappa Psi Alumni Association or National Tau Beta Sigma Alumni Association membership.

**GUIDELINES ON MEMBER PRESENTATION SHOWS**

In order for Kappa Kappa Psi and Tau Beta Sigma to assist chapters with the membership process and to avoid potential problems, all chapters who engage in membership presentation shows (probate shows), regardless of the membership status of the members, must adhere to the following guidelines when presenting members. These guidelines must be followed for the performance and rehearsal of any member presentation show. Please remember that these shows should reflect the mission, values, and policies of Kappa Kappa Psi/Tau Beta Sigma.

1. All Presentation Shows (Probates) must happen in accordance with proper University, Band Program and National Organization Policy and Regulations. Please contact your University Office of Student Affairs or Dean of Students Office to confirm your local campus and university policies prior to the execution of the probate.

2. The Director of Bands or Chapter Sponsor must approve the show material and must be in attendance.

3. Presentation of members must take place no more than thirty (30) calendar days after the members have been initiated into the organization or in accordance with your local university/college policy.

4. If the presentation of members includes a need for space reservations, the local chapter must coordinate with appropriate campus offices and follow all university policies for organizing such an event. This includes, but is not limited to, space/venue reservations, sound restrictions, and other local university policies.

5. All participants should not be forced to participate and must freely agree to participate in the probate.

6. The show attire worn by the participants should not impede the ability of the participant to move, breathe, or see. (i.e., including the wearing of masks).

7. There will be no vulgarity, sexual explicit material, or profanity. This includes, but is not limited to, inappropriate attire, sexually suggestive moves, cursing, profane gestures, or any material that is not in line with values of Kappa Kappa Psi/Tau Beta Sigma.

8. There will be no verbal attacks, whether intentional or not (i.e. dissing, calling out or slamming), on another individual or organization. This is not in line with values of Kappa Kappa Psi/Tau Beta Sigma.

9. All alcoholic beverages and controlled substance laws/policies of Kappa Kappa Psi/Tau Beta Sigma, the state, province, county, city, institution of higher education, and band program must be followed during the event.

10. All portions of the show must be in line with the National Hazing Policy of Kappa Kappa Psi/Tau Beta Sigma. No abuse will be tolerated. This includes, but is not limited to, verbal abuse, emotional abuse, slapping, kicking, spitting, punching, poking, caning, etc. (canes, paddles, staffs, sticks, etc. may be used as part of the performance, but may not be used as a weapon to harm another individual.)

11. In the event of a fight or physical altercation...
during the presentation, those involved will be removed immediately, University Police will be contacted, and the students involved will be referred to the proper university office for disciplinary action. If a member of the presenting organization is involved, the presentation will be stopped immediately. Any issues should be reported immediately to the Director of Bands/Sponsor.

12. The duration of the presentation will be no longer than one (1) hour total. The presenting organization will be responsible for ensuring the site used is left in its original condition after use.

Chapters are encouraged to send drafts of proposed Membership Presentation Shows (probates) to their District Governors/Counselors and/or the National Council for review prior to the execution of the probate to ensure that the show adheres to this policy and to the Kappa Kappa Psi/Tau Beta Sigma Hazing Policy.

**POLICY ON AFFILIATE GROUPS**

It has been brought to the attention of the National Councils and the National Headquarters that some chapters have established affiliate groups who are unrecognized by Kappa Kappa Psi and Tau Beta Sigma yet act in the name of the fraternity and/or sorority. These groups, known as Love Notes, sweethearts, MIKKY Clubs, Tau Gents, and the like, have been educated and initiated by chapter’s members in the name of the fraternity and/or sorority. Yet the fraternity and/or sorority do not recognize these members in any way.

Kappa Kappa Psi and Tau Beta Sigma strictly prohibit this activity. Allowing these groups to operate in the name of the fraternity and/or sorority puts the National Organizations at significant risk. Chapters who continue this practice will be subject to disciplinary action and could be dropped from the active roster.

In summary, any chapter currently using these affiliate groups should have these groups cease their activities immediately. The National Councils or National Headquarters should be immediately notified of any known instances of these affiliate groups.
PORTFOLIO PROJECT

THE ROAD TO WISDOM PORTFOLIO PROJECT

The “Road to Wisdom” membership education program no longer has written or verbal tests, quizzes, or a final exam. This was not an oversight of the National Curriculum committee. The overarching goal of the program is for our members to live the values of the Ritual, and the program has been intentionally designed in this way. The candidate will present their portfolio to the full chapter prior to 3rd degree and is a physical representation of what they learned during the membership process.

Tests and quizzes are absolutely barred from the National Membership Education Program: The Road to Wisdom and the entirety of the Membership Education Program.

The portfolio should be introduced to the candidate at the end of the Candidate Orientation Meeting and prior to first degree. Candidates should add to their portfolio to document their experiences on “The Road to Wisdom”. This can be documented by the membership candidate through examples such as journaling, scrapbooking, drawing - whatever form the Membership Candidates choose to reflect their journey.

The portfolio concept allows each individual candidate an outlet for them to express themselves artistically. Each candidate would highlight what individuals view as most important, impactful, or meaningful they learned from the program. The portfolio concept provides a personal connection and touch.

There are no specific requirements on what the portfolio should look like. The only requirement is the membership candidate must explain their project and how it relates to what they learned throughout the “Road to Wisdom”.

The Vice President of Membership or the Membership Candidate’s big brother will periodically check in and work with them to review material covered in the Kappa Kappa Psi Fraternity National Membership Education Program: The Road to Wisdom and ensure that the portfolio is completed prior to the deadline.

Appendix N: ΚΚΨ Fast Facts may be used to inform Membership Candidates of the background and history of the fraternity.

The Vice President of Membership may give an overview the 5 Purposes of Kappa Kappa Psi during this lesson.
**DESCRIPTION OF INSTRUCTION:**

**PART I: VISION AND MISSION STATEMENT, PREAMBLE, CREED**

1. The Vice President of Membership will begin by reading and discussing the Mission and Vision statements.

**WHO IS KAPPA KAPPA PSI?**

**Mission Statement**
Kappa Kappa Psi is a co-educational fraternal organization that advances college and university bands for the benefit of its members and society through dedicated service and support to bands, encouragement of musical growth, lifelong educational experiences, leadership opportunities, and recognition.

**Vision Statement**
Kappa Kappa Psi empowers and influences the vibrant and diverse college band movement through purposeful programming, unified messaging, and excellence in service and operations.

**GUIDING QUESTIONS FOR DISCUSSION:**
- How do the Mission statement and Vision statement drive the direction of the organization?
- Describe the Mission or Vision statement in your own words.
- Why is Kappa Kappa Psi a co-educational organization?
- How are the Mission and Vision statements connected? What is the difference between the mission and vision statement?

2. After discussion, the VPM will allow membership candidates time to reflect on the Mission and Vision statement by answering the following question in their Guidebooks:

**MEMBERSHIP CANDIDATE RESPONSE:**
- How do the Mission and Vision Statements apply to you as a future Active Member of the Fraternity?
3. The VPM will then read and discuss the preamble and purposes as well as the creed with the Membership Candidates, using the guiding questions for discussion.

Preamble to the National Constitution of Kappa Kappa Psi
Be it known that Kappa Kappa Psi, National Honorary Band Fraternity for College Bandmembers, is an organization operating exclusively in the field of the college and university bands, and for the following several purposes:

(1) To promote the existence and welfare of the college and university bands and to cultivate at large a wholesome respect for their activities and achievements.

(2) To honor outstanding bandmembers through privilege of membership extended as a reward for technical achievement and appreciation for the best in music.

(3) To stimulate campus leadership and promulgate an uncompromising respect through the medium of the college band for gracious conduct, good taste and unswerving loyalty.

(4) To foster a close relationship between college bands and promote a high average of attainment by the performance of good music and selection of worthwhile projects.

(5) To provide a pleasant and helpful social experience for all engaged in college band work and to cooperate with other musical organizations in any manner consistent with the purposes of the institution at which chapters are located.

GUIDING QUESTIONS FOR DISCUSSION:

- Why does Kappa Kappa Psi operate exclusively for college and university bands?
- What are the contributions made by your chapter to the band program?

Creed
We, the brothers of Kappa Kappa Psi, believe that service to the college or university band program fosters responsibility, loyalty, and leadership; that a spirit of brotherhood is enhanced by the participation in a band program; that music is a universal language and truly the greatest of the arts; and that through fraternal participation, each member will strive for the highest.
FIRST LESSON - OUR WORK MATTERS

GUIDING QUESTIONS FOR DISCUSSION:

- How is brotherhood enriched through participating in the band program?
- What does brotherhood mean in Kappa Kappa Psi?
- How does brotherhood relate to the Fraternity?
- Why is music “the greatest of the arts”? What does that mean to you?
- “Strive for the Highest” is the motto of Kappa Kappa Psi. How will you work as a Membership Candidate to “Strive for the Highest” throughout your time as a Membership Candidate?

4. After discussion, the VPM will allow Membership Candidates time to reflect on the Preamble and Creed by answering the following question in their Guidebooks:

MEMBERSHIP CANDIDATE RESPONSE:

- What portion of the Creed stands out to you? How do you feel this applies to you as a member of your college band program?

5. The VPM will then review the pillars of the national brand of Kappa Kappa Psi with the Membership Candidates.

PART II: NATIONAL BRAND: MUSICIANSHIP, LEADERSHIP, SERVICE (15-20 MINUTES):

MUSICIANSHIP in Kappa Kappa Psi begins with the appreciation of music as an art-form through the desire for the best in artistic performances, our knowledge, skill, and artistic sensitivity. As brothers, we must support our fellow musicians through encouragement and helping weaker performers.

LEADERSHIP is a cornerstone to Kappa Kappa Psi, and brothers possess an agreeable and enthusiastic attitude through the lessons learned in the ritual. As brothers we are more capable, more concerned, and more interested in the band program due to the proven dependability of the chapter.

SERVICE is accomplished through the result of coordinated endeavors. The service component of Kappa Kappa Psi is vital to the very breadth of the organization. We exist in our current state due to the service nature of the fraternity to the college and university band programs.
BROTHERHOOD is part of a greater educational and service activity devoted to strengthening the team and individual into the best they can be. Our brotherhood requires optimism, enthusiasm, and a cooperative spirit. Through chapter and district events, our brotherhood grows and develops each year. Since 1919, we have been a positive force on over 217 chapters nationally.

**GUIDING QUESTIONS FOR DISCUSSION:**

- Why did you join and continue to be a part of the band program at the college level?
- What inspired you to want to be a part of Kappa Kappa Psi?
- What have you seen this chapter contribute to the band program? (Consider service, leadership, musicianship, brotherhood)
- Why is musicianship an essential cornerstone of Kappa Kappa Psi?
- What does service to the college band program look like to you?
- Why is our leadership needed in the college band program? What qualities are necessary to be considered a leader in the college band program and in life?

6. After discussion, the VPM will direct the Membership Candidates to respond to the following questions in their Membership Candidate Guidebook.

**MEMBERSHIP CANDIDATE RESPONSE:**

- What will your individual contributions be to the fraternity and band program? What strengths and talents do you offer to your band program and to your chapter? How does Kappa Kappa Psi benefit College and University Band Program?

**PART III: FRATERNITY SYMBOLS OF KAPPA KAPPA PSI (10-15 MINUTES):**

7. The VPM will then review the fraternity symbols of Kappa Kappa Psi.
Fraternity Symbols of Kappa Kappa Psi

FRATERNITY FLAG: The Greek letters K K Psi are printed in an arc on the top half of the flag with a white background. There are three overlapping stars in the middle of the flag and bottom of the flag over a blue background.

OFFICIAL KAPPA KAPPA PSI CALL: Two deep solo “K”s in rapid succession followed by the whole of the brotherhood replying “Psi” with voice inflection rising.

OFFICIAL KAPPA KAPPA PSI COLORS: Blue and White.

OFFICIAL FLOWER OF KAPPA KAPPA PSI: Red Carnation.

OFFICIAL MOTTO OF KAPPA KAPPA PSI: “Strive for the Highest.”

OFFICIAL CREST OF KAPPA KAPPA PSI: The official Crest or coat-of-arms of Kappa Kappa Psi is also referred to as the “Cofa.” Each of the symbols on the crest have a special meaning to our members, their relationship to the Fraternity, and the mission of our organization within your college or university band. 8. The VPM can then choose to do one of the following two activities based on the number of individuals present during the lesson OR to choose other appropriate activities from the Bank of Additional Lesson Activities in Appendix B. The chapter also may have an alternate activity to use, as long as it is in line with Kappa Kappa Psi’s Risk Management Policies. All activities must be submitted and approved through an activity review Jotform prior to completing, which can be found on the Road to Wisdom page of the Kappa Kappa Psi website. Completing unapproved activities may result in disciplinary action.

**TITLE OF ACTIVITY: DEFINE, ADD, SUMMARIZE**

This Activity Supports the following Lessons: Lessons 1-8.

**MATERIALS:**
- paper or poster
- markers/pens/pencils.

**LENGTH OF ACTIVITY:**
20-25 minutes

**SET-UP:**
This activity works better with a larger group of people.

**ACTIVITY:**
- Split Membership Candidates (and/or Brothers) into groups of 3.
- Give each group one of these qualities: Musicianship, Leadership, Service, Brotherhood.
- Then, have group members take 10-15 minutes to do the following:
  - A: Define the word or phrase in their own words.
  - B: Have each person add to the definition by saying “Yes and…”
  - C: Summarize the information into a paper or poster.
- Each group will then present their paper or poster to the room.

**GUIDING QUESTIONS FOR DISCUSSION:**
- Why is it important to be able to articulate the National Brand of Kappa Kappa Psi?
TITLE OF ACTIVITY: PASS THE PAPER PLATE
This Activity Supports the following Lessons: Lessons 1-8.

MATERIALS
paper plates
markers/pens/pencils

LENGTH OF ACTIVITY:
20–25 minutes

SET-UP:
This activity works better with a smaller group of people.

ACTIVITY:
• The VPM will take 4 paper plates and write: Musicianship, Leadership, Service, Brotherhood in the middle of each plate.
• The VPM will then pass the plate around and have each person in the circle write down something that comes to mind until no one can come up with anything anymore.
• Repeat until all 4 words are finished. The VPM or another person will then share what was written on the plates.

GUIDING QUESTIONS FOR DISCUSSION:
• Why is it important to be able to articulate the National Brand of Kappa Kappa Psi?

9. After discussion, the VPM may allow Membership Candidates time to reflect by answering the following question in their Guidebooks or assign to do in-between lessons.

MEMBERSHIP CANDIDATE RESPONSE (10-15 MINUTES):
• Using the Mission Statement, Vision Statement, Preamble, Creed, and National Brand as a reference, draw a picture that articulates the purpose and existence of Kappa Kappa Psi. Include a short explanation that explains the meaning and significance of your drawing.

10. The Vice President of Membership will then have each Membership Candidate (or volunteers within the Membership Candidate Class) show and explain their picture during the lesson or the following week’s meeting.

Description of Instruction:

Part I: First Purpose of Kappa Kappa Psi (5-10 minutes)

1. The Vice President of Membership will begin with reviewing the First Purpose of Kappa Kappa Psi and instructing Membership Candidates to fill in the appropriate words in the boxes.

First Purpose of Kappa Kappa Psi:
To **promote** the existence and **welfare** of the college and university **bands** and to **cultivate** at large a wholesome respect for their **activities** and **achievements**.

On the local level, chapter responsibilities include numerous service projects as well as providing the intangible items of morale, spirit, enthusiasm, atmosphere, and attitude within the band. As noted in the Preamble of our National Constitution, the cultivation and maintenance of an agreeable and enthusiastic attitude is mandatory for all our members, and this serves to foster the wholesome and cooperative spirit that each Director of Bands desires for their band.

Guiding Questions for Discussion:

- How do you support the bands on your campus?
- When asked by others, what would you say about your band program?

Part II: Chapter History (15-30 minutes)

PART VI: SERVICE PROJECT PLANNING (15-30 MINUTES)

4. The VPM will review the service project guidelines and list of service projects with the class.

Membership Candidates will develop, plan and execute a service project that is to be completed no later than the seventh week. The Vice President of Membership should provide the Membership Candidates with a list of possible service projects (see Service Project Ideas in Appendix A). The Director of Bands, Chapter Sponsor, and/or the chapter officer in charge of service projects should be present at the meeting to help guide the Membership Candidate class in the planning of this project.

Service is a part of Kappa Kappa Psi’s national identity and a cornerstone of the National Brand. It is an integral part of the operation of your local chapter of the Kappa Kappa Psi. Brothers of Kappa Kappa Psi are often looking to identify a void in the band Program and fill the void through their service. The Membership Candidate class will work with the chapter officer who oversees service within your chapter to help develop and execute this service project.

MEMBERSHIP CANDIDATE RESPONSE:

Your service project is to be completed by _______. The chapter officer that oversees service projects is _____________________.

5. The Vice President of Membership should provide 15-20 minutes of planning time for the Membership Candidate class during this time. Membership Candidates can take notes and record ideas on the Service Project Notes and Ideas page in the Membership Candidate Guidebook.

GUIDING QUESTIONS FOR DISCUSSION:

- How does the leadership of individual members and the chapter contribute to building better bands?
- How has the chapter impacted the band program?
- Does the First Purpose give you any ideas on how the chapter can support the band program?

6. At the end of the Lesson, the Vice President of Membership will ask Membership Candidates to complete the following Membership Candidate Response questions in the Membership Candidate Guidebook, or assign the responses to be completed by the next lesson.
MEMBERSHIP CANDIDATE RESPONSE:
How does your band program impact the university and/or the community?
How does your chapter impact the success of your band program?
What have you observed of the chapter that exemplifies the First Purpose in their service to the band program?

Preparation:
Lesson Three will take approximately 60 - 75 minutes depending on the size of your Membership Candidate class and the length of discussion and activities.
Your chapter is a member of a National Fraternity - Kappa Kappa Psi National Honorary Band Fraternity. Our National Fraternity operates and is successful due to the contributions and activities of our chapters. In addition, the chapter pays dues and makes reports to the national organization on a regular basis.

Visit the National website: www.kkpsi.org for more information.

There are several governing documents within Kappa Kappa Psi that help chapters run smoothly. Each chapter must abide by both the National Constitution including National Policies (which is the Ranking Document of the Fraternity), as well as the Chapter Constitution.

Each chapter writes its own constitution to reflect local chapter operations and uses Robert’s Rules of Order to guide their meetings. Chapter constitutions must incorporate policies from the National Constitution and the policies of the Music/Band Department and the College/University Student Affairs Office on their campus. Within each chapter, there are officers and committees.

My chapter officers are:
President: ____________________________ Other: ____________________________
Vice President of Membership: ____________________________ Other: ____________________________
Secretary: ____________________________ Other: ____________________________
Treasurer: ____________________________ Other: ____________________________
The standing committees of the chapter are:

______________________________________________  ______________________________________
______________________________________________  ______________________________________
______________________________________________  ______________________________________
______________________________________________  ______________________________________
______________________________________________  ______________________________________
______________________________________________  ______________________________________

• The Vice President of Membership can review the chapter constitution with the Membership Candidate class using a Jigsaw Teaching Method. This can also include active members as part of the groups. (You can also choose to do this during a different meeting, assign sections as outside review or reading, or teach this in another format.)

**Chapter Constitution Jigsaw**

• Provide each Membership Candidate with a copy of the Chapter Constitution.

• Assign each Membership Candidate to a “home group” of 2-4 people.

• Looking over the chapter constitution, assign particular sections to each group member of the home group. Decide ahead of time which sections of the constitution you want the Membership Candidates to review. It is not necessary to review the entire document at this time.
  
  i. Create “expert groups” that consist of students across “home groups” who will read the same selection (example: all of the Membership Candidates who were assigned the election of officers section of the constitution).

  ii. Give a time limit (e.g. 10 minutes) on the various parts of the jigsaw task. This should be enough time to read the information and then discuss the information as an “expert” group.

  iii. Have all Membership Candidates return to their “home” group.

  iv. The “home group” members are responsible to learn all content from one another. Home groups may discuss for 3-5 minutes at a time depending on the depth of the conversation.

  v. At this point, the officers of the chapter must be present during this meeting to explain their office and the duties of their role in the chapter to the Membership Candidates.

  vi. If your chapter has standing committees, this is a good time to explain the role and function of the committees and the individuals who serve on the committees.
NOTE ON CANDIDATE CLASS OFFICERS:

Membership Candidate class officers are optional based on the class size and decision of the VPM. This concept was added due to the nature of The Road To Wisdom and its goal of ensuring that Membership Candidates, when initiated as Brothers are educated on all aspects of the Active Member experience. Instead, the class can work in a committee model to delegate responsibility.

PART II: OFFICER INSTALLATION CEREMONY/ELECTION OF CANDIDATE CLASS OFFICERS

- Officer Installation Ceremony can be found in Appendix F

- Before the election of officers, the Chapter President should review the Officer Installation Ceremony with the Membership Candidates. This can be done via a projector or via a paper copy of the ceremony so that the Membership Candidates can see the text.

- The Vice President of Membership will ask Membership Candidates to complete the following Membership Candidate Response questions in the Membership Candidate Guidebook.

MEMBERSHIP CANDIDATE RESPONSE:

- Why is it important to elect Brothers who have the qualities necessary to lead our chapter?
- Based on the Officer Installation Ceremony that was reviewed, what stated responsibility of the officer duties sticks out to you the most? Why?
- There are several phrases within the Officer Installation Ceremony that stand out to many members, such as:
  - “This is both an honor bestowed and a privilege granted.”
  - “To shirk is to betray a trust.”
  What do these statements mean to our elected Brothers? Why do you think these statements stand out to Brothers as significant?
- Why do the Brothers repeat in Oath of Support? What is your level of commitment to the elected officers?
Candidate Class Elections

- During this time, the Membership Candidate Class may now elect its own officers.
- Nominations from the floor will occur for each office, in the following order: President, Vice President, Secretary, and Treasurer.
- The vote will take place via secret ballot.
- The Chapter President and Vice President of Membership will count the vote totals and announce the winners of each office.
- Officers will be elected via simple majority of fifty percent plus one.
- The Vice President of Membership can have chapter officers meet with the Membership Class Candidate officers after the election if they wish to discuss any requirements the class officers will have during their candidacy. Membership Candidates should write their class officers in their guidebooks.

My Membership Candidate Class officers are:
President: ________________________________

Vice President: ________________________________

Secretary: ________________________________

Treasurer: ________________________________

Materials Needed:
• Membership Candidate Guidebooks
• Vice President of Membership Teaching Manual
• Index Cards
• Large Post-It Posters
• Markers
• Internet access with a projector and audio as needed to show presentations, etc to all members

Preparation:
Lesson Four will take 60 to 120 minutes depending on the size of your candidate class and the length of discussion and activities.
1. The VPM will review the third purpose with the Membership Candidates.

THIRD PURPOSE
To stimulate campus leadership and promulgate an uncompromising respect through the medium of the college band, for gracious conduct, good taste, and unswerving loyalty.

The VPM will then do one of the activities listed below or choose an activity from the Bank of Suggested Lesson Activities. You can also choose to do an alternate activity from your chapter, if it is in line with the Kappa Kappa Psi Risk Management Policies.

Activity (10 minutes): Leadership Mapping
The Membership Educator will place a large post-it poster on the wall (this can also be done on a dry erase or chalkboard) and write the question “What is Leadership?” in a circle. The Membership Educator will ask Membership Candidates to describe leadership in a word or phrase and write it on the poster (connect words/phrases to the question using a line).

Debrief: Membership Educator will lead a discussion around the answers provided by Membership Candidates. Allow Membership Candidates an opportunity to present their ideas and explain why they described leadership that way.

OR Activity (20 minutes): Leadership Carousel
The Membership Educator will place three large post-it posters around the room:
1) Qualities of Successful Leaders
2) Qualities of Unsuccessful Leaders
3) Good leadership in Band: What does that look like?

Membership Candidates will travel in groups to each poster and remain there to discuss that poster’s topic and add comments. The Vice President of Membership will play traveling music or instruct Membership Candidates to move to the next poster.

Debrief: The Vice President of Membership will lead a discussion and groups will have the opportunity to report their ideas and present information to support.
2. Guided Instruction (15-20 minutes): After the opening activity, the Vice President of Membership will present a brief presentation based on the following topics:

QUALITIES OF A GREAT LEADER
Who comes to mind when you think of great leaders? What qualities make these individuals stand apart from the others? The following is a list of common qualities inherent in all great leaders. As Brothers of Kappa Kappa Psi, we can incorporate these qualities into our leadership style and become more effective leaders.

1. Attitude
A positive attitude is the foundation of being a great leader. You must first believe that you can be a leader in order to be successful. If you tell yourself that you are going to fail, then you will. People tend to see things with their minds and not their eyes. No matter what the situation, if you think it is negative, it becomes negative. To avoid failure, you must first practice self-affirmation. Tell yourself that you will succeed and repeat that message in your mind. Second, be optimistic. If something bad occurs, learn from it, then let it go and focus on the positive. A positive attitude is the first, and most important, step to becoming a great leader.

2. Interest in Learning from Others
Great leaders are interested in the world around them. They seek to learn from others’ success. Great leaders do not become great alone, but rather learn from many others. In turn, great leaders seek to create greatness in others, both peers and those who will follow them.

3. Risk Taking
Great leaders dare to be different. They stretch the current parameters in search of new ideas. Too often individuals are afraid to venture into the unknown for fear of making mistakes. Great leaders take risks and learn from their experiences - good or bad. If they make a mistake, they take responsibility and decide immediately what must be done to correct that mistake. Individuals without leadership qualities seek to place blame on other people or on circumstances and therefore never truly learn.

4. Opportunity Seeking
Great leaders take the initiative to find and act upon opportunities. They do not sit and wait for something to happen. Great leaders are constantly looking for new avenues of success.

5. Goal Setting
Once an opportunity is discovered, great leaders set both long and short-term goals to maximize that opportunity. The keys to setting obtainable goals involve the following: visualizing success, breaking the goal into smaller tasks, setting deadlines for the accomplishment of those tasks, getting to work, and reviewing the goals. Great leaders perform these keys constantly to ensure that no opportunity is left unused.
6. Empowering Others
Great leaders understand that to achieve their vision and gain respect and authority, they must be willing to give power to others. They delegate responsibility to other individuals and give those individuals the knowledge and resources to succeed. When the great leader’s work is done the people around him/her will say, “We did it ourselves!”

“Leaders inspire a shared vision. They passionately believe that they can make a difference. They envision the future, creating an ideal and unique image of what the organization can become. Through their strong appeal and quiet persuasion, leaders enlist others in the dream. They breathe life into visions and get us to see the exciting future possibilities.”
— From The Leadership Challenge, J. M. Kouzes and B. Z. Posner

What is Leadership? Why is it a core value of Kappa Kappa Psi?
True leadership emerges from one whose primary motivation is a deep desire to serve.
Servant Leadership is at the heart of what it means to be a Brother of Kappa Kappa Psi. A Servant-Leader is a person of character who puts people first. He or she is a skilled communicator, a compassionate collaborator, who has foresight, is a systems thinker, and leads with moral authority.

The choice Brothers make each and every day to serve their band programs brings them to aspire to lead. Kappa Kappa Psi desires to build a community of Musician-Servant Leaders who are focused on others, embody integrity, demonstrate passion, and live bravely. Leadership in the college/university band movement cannot be done alone. This community of leaders will care for others and embrace fellowship as a primary goal and action. With a common aim to strive for the highest, our first focus is college and university bands.

3. The VPM will then have Membership Candidates reflect in their candidate guidebooks. (Either in the meeting or during the week.)

MEMBERSHIP CANDIDATE RESPONSE:
• What is Leadership? Why is it a core value of Kappa Kappa Psi?
Activity:
Think, Pair, Share. Write each of the myths on a note card, and divide the Membership Candidates into 4 groups to discuss why these statements are myths. If your membership class is not large enough, utilize Brothers present to take part in the groups, or give each group two myths with additional time.

Myth: “Leaders are born, not made.”
Have you ever heard the statement “He/She is a born leader”? While the statement may be true in some circumstances, it also implies that if you were not born a leader you may as well give up. This implication could not be further from the truth. Many of the great leaders learned their skills by watching others. By identifying the characteristics which set great leaders apart from average ones, we can all learn how to be successful leaders.

Myth: Leaders are charismatic.
How many times have you thought all good leaders are charismatic? While this may be true for some, most leaders are not. Charisma is the result of effective leadership and not the cause. Those leaders who develop charisma will tend to receive more respect from their followers, which in turn increases their ability to lead effectively. However, charisma is not a prerequisite for effective leadership.

Myth: Leadership exists only at the top of the Fraternity.
This may be the leading myth about leadership and is also probably the most inaccurate. Effective leadership does not begin and end with the officers. Leadership opportunities exist everywhere for those willing to take advantage of them. Anyone who offers ideas by which the Fraternity can evolve has contributed a measure of leadership. Those willing to explore ideas, set goals, and achieve those goals are the most effective of leaders.

Myth: Effective leaders control, direct, and manipulate others.
This is perhaps the most damaging myth of all. Effective leadership is not so much the exercise of power, but instead the empowerment of others. The great leaders achieve their goals by motivating others to act. They lead by pulling instead of pushing; by inspiring instead of ordering; and by enabling others to use their own abilities instead of denying or constraining individuals.
Part III: Characteristics of a Great Brother and Leader

Brothers of Kappa Kappa Psi are looked to as role models and leaders by other members in the band and on campus. We can never know who is watching our actions or who will be affected by our deeds. It is therefore essential that we present positive qualities at all time. Being a Brother is not a part time commitment. As such, the example we set should shine constantly to inspire others. The following qualities define Brothers of Kappa Kappa Psi. These qualities described Bohumil Makovsky, our Guiding Spirit. By following Boh’s example, we will teach and inspire others as he taught and inspired our Founding Fathers.

Fraternal Code of Conduct:

Honor - Brothers should conduct themselves with honor at all times. Our service to college and university bands serves as an example to others. We should take pride in these accomplishments and not let anything tarnish our honorable reputation.

Integrity - The character of our Brotherhood is based upon the principles of decency and sincerity. Our impeccable integrity lets others know we can always be trusted to keep our word.

Respect - Respect for others is a cornerstone of Kappa Kappa Psi. Our diverse membership is an asset that cannot be taken for granted. Using this strength to our advantage requires respect for others and their points of view. In return, we earn the respect from others by treating them as equals.

Loyalty - Service to band programs and the Fraternity requires people who are devoted to those organizations. Working together is the key to achieving our goals. Being loyal and dependable is therefore essential to our success.

Activity:

Based on the third purpose, leadership and Code of Conduct discussion, synthesize this information into a visual/drawing of what this looks like in Kappa Kappa Psi. Place candidates into groups and use large post-it posters and markers. (This would be a great opportunity to include any Brothers in attendance in the groups to contribute to the discussion. This is an important activity to relate your membership as a Brother and a member of the campus community.)
4. The VPM will then have Membership Candidates reflect in their candidate guidebooks. (Either in the meeting or during the week.)

MEMBERSHIP CANDIDATE RESPONSE:
• Which part of the Code of Conduct do you relate to the most? Why?

MEMBERSHIP CANDIDATE RESPONSE:
• How does failure affect leadership? What role should the Code of Conduct play in defining your response to failure and other adversity?
Part IV: The Founders’ Circle

Theoretically, material for The Founders’ Circle is based primarily on the Social Change Model of leadership. This model was developed in 1993 by a group of researchers led by Helen and Alexander Astin at the University of California, Los Angeles (UCLA). Their model identifies three (3) different levels of leadership: Individual, Group/Team, and Society/Community. We borrow these levels directly from the Social Change Model and use specific Founding Fathers to illustrate each. William A. Scroggs represents the Individual Level, which focuses on core principles and values for each leader to identify and develop. The Group/Team Level is captured by A. Frank Martin, whose work as National Executive Secretary was essential toward the evolution of Kappa Kappa Psi. Finally, Bohumil Makovský represents the Society/Community Level. As the Guiding Spirit of our Fraternity, Boh perfectly captures the vision that exemplary leaders must have to inspire others toward great achievements.

In addition to this primary framework from the Social Change Model, The Founders’ Circle incorporates specific skills and values that survey respondents (both students and college band directors) identified to the Leadership Task Force in 2013. These competencies are categorized into the three levels (individual, group/team, society/community) and provide individuals with a comprehensive understanding of leadership.

William A. Scroggs – The Individual Leader (Level 1)
The primary focus of this level is for individuals to develop a better understanding of themselves. This includes learning about their specific strengths and weaknesses within their own personalities.

A Frank Martin – The Group/Team Leader (Level 2)
The primary focus of this level is for individuals to develop skills and abilities that allow them to interact with small groups and teams. These include incorporating diversity within teams, fostering a collaborative environment and resolving conflict.

Bohumil Makovský – The Visionary Leader (Level 3)
The primary focus of this level is for individuals to develop skills and abilities that allow them to become visionary leaders capable of transforming large groups of individuals and/or society. These skills include developing and communicating a vision and becoming a change agent.

DESCRIPTION OF INSTRUCTION:

PART I: OVERVIEW AND INTRODUCTION OF THE LESSON (5 MINUTES)

1. The Vice President of Membership will introduce music as a part of Kappa Kappa Psi’s National Identity.

Why Music?

Musicianship is a core value and part of the national brand of Kappa Kappa Psi. We bring to Kappa Kappa Psi our individual talent and technical achievement as musicians and band members. Often, musicianship only focuses on our participation in a band ensemble or the level of our performance at a concert or event. Members should appreciate music and musical expression in all forms, and we should be dedicated to excellence in performance. Musicianship is also about the relationships you build with your fellow band members, directors, and community. Musicianship is a lifestyle and a call to charity, kindness, and compassion. It is an expression of the best of who we are as Brothers.

ACTIVITY - WHY MUSIC? (20-30 MINUTES) - TALK SHOW PANEL

2. The VPM can choose to do this activity, a different activity from the bank of suggested activities in the appendix, or to substitute an alternate activity, as long as it is in line with Kappa Kappa Psi Risk Management Policies and approved by the District Governor(s).

The Vice President of Membership will create a “panel of experts” to discuss the question “Why Music?” This panel can include active members, Sponsor, Director, graduate assistants, or other music faculty. Feel free to be creative with the content of the talk show, but make sure you highlight the importance of musicianship as a core value of Kappa Kappa Psi. Also, make sure the importance of the relationship between Brothers and the band directors is discussed. You can also have Membership Candidates draft their own questions.
Suggested Discussion Questions for Panel:
• Why is Musicianship considered part of the National Brand?
• What has been the most significant musical moment in your life?
• Why did you choose a professional career in music?
• If you are not a music major or professional, why do you continue performing and engaging in musical opportunities?
• What has been a memorable and/or humorous musical performance?
• What is/has been your favorite piece of music to perform?
• If you could meet any composer, who would it be? Where would you go?

**SECOND & FOURTH PURPOSES (10 - 14 MINUTES)**

3. Second Purpose (5-7 minutes)
To honor outstanding band members through privilege of membership, extended as a reward for technical achievement and appreciation for the best in music.

4. The Vice President of Membership will then allow Membership Candidates to reflect in their Guidebooks.

**MEMBERSHIP CANDIDATE RESPONSE:**
How does the second purpose drive our membership recruitment?

5. Fourth Purpose (5-7 minutes)
To foster a close relationship between college bands and promote a high average of attainment by the performance of good music and selection of worthwhile projects.

6. The VPM will then allow Membership Candidates to reflect in their Guidebooks.

**MEMBERSHIP CANDIDATE RESPONSE:**
When considering the fourth purpose, what does this look like when the purpose is lived out?
**PART II: MUSICIANSHIP IN OUR PROGRAMMING (15-20 MINUTES)**

7. **The National Month of Musicianship**
   The mission and purpose of Kappa Kappa Psi directly reflects our goal of celebrating music in college bands. The National Month of Musicianship is celebrated each November, which is the same month of the fraternity’s founding.

8. **The VPM will then allow Membership Candidates to reflect in their Guidebooks.**

**MEMBERSHIP CANDIDATE RESPONSE:**
What are activities your chapter can engage in to promote and celebrate the National Month of Musicianship?

**The National Intercollegiate Band**
One of the most exciting contributions made to the work of collegiate music during the last half-century has been the National Intercollegiate Band program of Kappa Kappa Psi and Tau Beta Sigma. The NIB was founded in 1947 by Dr. F. Lee Bowling.

**Dr. F. Lee Bowling** was Kappa Kappa Psi Grand President from 1941-1947. The NIB was his cherished idea, and through the years, he worked to develop a plan that firmly established the organization as a national service project for the Fraternity and Sorority.

**The W. Francis McBeth Student Musicianship Award**
Created at the 2011 National Convention in Colorado Springs, the W. Francis McBeth Student Musicianship Award honors current active, associate, and conditional members of Kappa Kappa Psi that exemplify the highest standards of Musical Achievement. McBeth served as the commissioning composer for the 1971 National Intercollegiate Band. The first recipient of the award was Zachary Friedland from Theta Upsilon at the University of Rhode Island.

9. **The VPM will then allow Membership Candidates to reflect in their Guidebooks.**

**MEMBERSHIP CANDIDATE RESPONSE:**
How does the National Intercollegiate Band embody the fraternity’s national brand of Musicianship, Leadership, and Service?
The National Commissioning Program
The commissioning program of Kappa Kappa Psi and Tau Beta Sigma has made a significant impact on band music in America. This joint program was conceived by Kappa Kappa Psi Grand President Hugh E. McMillen. He felt the organizations should offer something constructive to college and university bands. He saw in the National Intercollegiate Band the perfect vehicle for a lasting contribution to the field of wind band literature.

10. The VPM will then allow Membership Candidates to reflect in their Guidebooks. (Either during this lesson or during the week.)

MEMBERSHIP CANDIDATE RESPONSE:
How has the Commissioning Program served the greater college band movement?
EXCERPTS FROM THE BATON, SEPTEMBER 1923

Importance of Music in Our Universities - John Philip Sousa
This article was written exclusively for the BATON, April 30, 1923

It would be interesting historical data to locate the days of emancipation of the various professions from the thralldom of feudalism. We know the old masters of literature used as their comic characters those professions that were held in derision by the public at large. Thickheaded asinity, or, to modernize it, dumbbell perception is shown in its fullest play in the Shakespearean character of “Dogberry” and he was of the law. Moliere and other writers of those times found great fun in exploiting characters of doctors and medical men in general. While the musician has not been a subject of laughter, he is almost the last, if not the last of the professional men to become emancipated and to stand out as a distinct class in the world’s community.

It is within the memory of the writer the almost best steady position a musician could hope for was one in a theatrical orchestra where his salary was a mere pittance, and this was not confined to the tyros of the professional, but the students of their art and fine exponents on their instruments. Today that is all changed, and the musician has come into his own. In symphony orchestras and concert bands, he is not paid according to the union scale unless he is among the poorest players in the organization. Every particle of ability above the common standard of his union enables him to demand an increase in salary, and it is making the profession one of the most desirable in the world.

One of the greatest factors in the emancipation of the musical profession has been the interest manifested by the great universities in musical culture and in making it a part of the curriculum of their institutions. The amount of money invested in musical enterprises today is enormous and the demand for the most perfect performance is insistent and it is my belief that each year will see a higher regard paid to the development of musical talent in our colleges and universities.
Who Will Furnish The Music?
Come, Brothers all, a toast we’ll sing
To the frat we love so well.
Kappa Kappa Psi, thy glorious strains
Fore’er within us swell.

Harmony, in thought and deed,
For this we labor long.
Harmony, with melody,
To cheer the world along.

Thy music charms; thy lyre sings
Of rich fraternal love.
Thy baton moves; the weling rings,
Sweet echoes from above.

One common aim: we always strive
The highest to attain.
Through work and faith, in Brotherhood,
Perfection we shall gain.

Achievement in perfection soul.
For this we live and die.
The faith that wins we’ll seek and find
In Kappa Kappa Psi.

-JOHN LONERGAN, Taken from The Baton 1923
Part III: Dr. Bohumil Makovsky
(1878-1950) - (20 minutes)

Guiding Spirit of Kappa Kappa Psi | Director of Bands & Head of the Music Department
Oklahoma Agricultural & Mechanical College

An immigrant from Bohemia, Boh Makovsky arrived in the United States with next to nothing, but became one of the premier band directors in the country. His personal ambition, as he started his career, is what carried him through his early struggles and failures.

Although Bohumil Makovsky lacked a formal music education, his experiences as a professional musician and conductor led Boh to become a music educator with strong ideas on how to teach music and direct bands. As a director, he was said to have had an “immaculate” rehearsal technique, often working difficult passages over and over until he achieved what he felt was the maximum level of perfection. He stressed tone and balance throughout the ensemble in order to achieve a truly symphonic sound, stressing the second and third parts for dark coloring.

As a member of one of Boh’s bands, you were expected to adhere to the strict discipline he imposed and to show respect for the ensemble. To quote Paul Enix: “He was a stickler for attendance, being there, being on time with your parts prepared. You showed the respect to him by not talking or doing anything distracting during the course of the rehearsal. It was very business-like. He instilled that business-like attitude. You knew what was expected of you, and you prepared in order to make the rehearsal come off that way.”
GUIDING QUESTIONS FOR DISCUSSION (CHOOSE FROM FOLLOWING):

- Discuss the importance of the band to the college/university. How can you increase the band program’s reputation?
- Kappa Kappa Psi was created to serve college and university band programs. Discuss what musical opportunities exist on your campus to promote college/university bands.
- How can you contribute to the musical success of the college/university bands? How can members apply their musical talents and other skills to its continual existence and development?
- How can I improve the band and chapter as an individual Brother?

LESSON ASSESSMENT ACTIVITIES:

The Vice President of Membership can choose to do one or more of the activities listed below, choose an activity from the Bank of Suggested Activities, or choose an alternative activity that it is in line with local college/university policies and Kappa Kappa Psi Risk Management Policies.

- Reflect on how your chapter can improve musicianship.
- Everyone brings a recording of their favorite piece of music and explains their fondest memory of band and why this piece is important to them. (maybe make a playlist or CD and listen to everyone’s piece of music.)
- Attend a concert (at another institution or another ensemble within your own institution, etc.) as a group.
- Provide the opportunity to play through music as a chapter, help one another sight read, or work on music for an upcoming concert.
- Listen to the newest National Intercollegiate Band (NIB) concert recording, via YouTube, the CD, or iTunes. Learn more about the most recent NIB conductor and composer.
- Life-Sized Boh:
  Using Butcher paper, have someone lay on the paper while someone else traces the outline of their body. Create a life sized picture of Boh and place the following text in the following places:
  - A Thought Bubble by his head to show what he thought about music and Kappa Kappa Psi.
  - A Speech bubble by his mouth with a statement or paragraph that would be something Boh would say.
  - By his Heart, write a few sentences that shows what Boh felt about Music and Kappa Kappa Psi.
  - By his Hands, write a few sentences about what Boh did for Kappa Kappa Psi.
  - By his feet, write about where Boh went in his life as a director and as the Guiding Spirit of Kappa Kappa Psi.

“It is desired that talented Brothers and sponsors of Kappa Kappa Psi show their musical ability by writing song and music to the grand old Brotherhood. Try our hand at this delightful art; you may be the honored bard and have your music and message sung after you are long gone but not forgotten.”
- Kappa Kappa Psi, Baton, Vol. 4: September, 1924, No. 2
Activity: Performance of Good Music (15 - 20 Minutes)

At this time, the Vice President of Membership can introduce the candidate class to the Fraternity Hymn and/or Song. You may also introduce them to any other traditional songs the chapter may sing.

The Vice President of Membership, Music Chair, or another selected Brother will lead the Membership Candidate class in a rehearsal of the fraternity’s hymn and song. In addition, the chapter may choose to rehearse the college or university’s Alma Mater or other school songs.

Lesson Reflection: Appreciation for the Best in Music

11. The VPM will allow Membership Candidates to reflect in their guidebooks. (Either during this lesson or during the week.)

Membership Candidate Response:

- As a chapter, what are three specific ways that we can improve musicianship?
- How can Boh’s example as a musician and director influence your musicianship and commitment to musical growth?
- How do the fraternity’s programs mentioned in this lesson meet the expectations established in the second and fourth purposes?

**Learning Intentions**

Membership Candidates will be able to:

- Explore the history of the Fraternity and National Headquarters.
- Identify the Founding Fathers of Kappa Kappa Psi.
- Discuss observations of Brotherhood within the chapter and make connections to the Fifth purpose.
- Articulate a personal understanding of the role of Brotherhood within Kappa Kappa Psi.

**Materials Needed:**

- Membership Candidate Guidebook
- Poster Paper/Poster Board
- Construction paper, scrolls, or scrapbook paper
- Markers and Pens or Pencils
- Tape
- Internet access with a projector and audio as needed to show presentation to all in attendance

**Preparation:**

Lesson six will take 75 - 90 minutes, depending on the size of the candidate class, the length of the discussion, and the activities chosen to complement the lesson.
Description of Instruction: Part I: The Fifth Purpose of Kappa Kappa Psi

To provide a pleasant and helpful social experience for all engaged in college band work and to cooperate with other musical organizations in any manner consistent with the purposes of the institution at which chapters are located.

Membership Candidate Response:
How does the fifth purpose connect to the core value of Brotherhood?

1. After reading the fifth purpose, the VPM should organize the “Give One, Get One” game. “Give One, Get One” is a strategy for mixing a group, creating connections among participants, and exchanging information.

   Each participant is given a 3x5 card (or can use their Membership Candidate Guidebook) and asked to respond in writing to a prompt. In this exercise, the prompt is:

   **How does the Fifth Purpose connect to the idea of Brotherhood?**

   After everyone responds, the VPM will choose to play music and participants will walk around the room greeting one another until the music stops. Each person finds a partner, reads his/her card, and listens to their partner’s card. Then partners exchange cards and circulate around the room again until the music stops and the process is repeated.

Part II: Fraternity History & Founding Fathers: (30 minutes)

2. The Membership Candidates will read the brief history of the fraternity. (This can be found on pg. 71 of the MC Guidebook)

   After reading the brief history of the fraternity, the Membership Candidates will complete a 3-2-1 exit slip using the information.
Membership Candidates will use their guidebooks to record the following:
- 3 things they learned after reading the information
- 2 connections they made to the information
- 1 question that is still lingering after reading the information

3. After everyone has completed their 3-2-1 exit slip, the VPM will ask Membership Candidates to share their information with the group. If Membership Candidates have questions they would like to have answered, this might be a time to dig within the resources of the Membership Candidate Guidebook to answer their questions.
(The Brief History of Kappa Kappa Psi, as told by William A. Scroggs.)

GUIDING QUESTIONS FOR DISCUSSION (CHOOSE FROM FOLLOWING):
- Why was Kappa Kappa Psi created?
- Do you feel that the fraternity still represents, “an effort to develop good will, fellowship, and understanding among bands and their members, and to recognize the value of dedicated leadership”? What does this statement mean? How does this statement connect to the 5 purposes of Kappa Kappa Psi?

4. During (or after) this discussion, the Membership Candidates will review the founding fathers information page. The VPM can then choose one (or give the Membership Candidates a choice) of the following activities. The VPM can also choose to do none of these activities or to do an alternative activity, as long as it is aligned with the Kappa Kappa Psi Risk Management Policies:

- Create trading cards for each of the Founding Fathers
- Play a version of “headbands” where each person picks a card without looking and puts a picture and name of one of the Founding Fathers on their heads. Everyone then walks around and tries to figure out who they have on their head by giving one another clues.
- Create a play that introduces all of the Founding Fathers and tells the history of the beginning of the fraternity.
5. The VPM will read through the guided notes with the Membership Candidates, allowing Membership Candidates to fill in the blanks.

For many years, the National Headquarters of Kappa Kappa Psi and Tau Beta Sigma was located in the Seretean Center for the Performing Arts on the campus of Oklahoma State University in Stillwater, Oklahoma.

In November 1991, the National Headquarters moved from the Seretean Center to Stillwater Station. Stillwater Station, a former Santa Fe Railway Depot, was purchased by the Fraternity and Sorority from a group of five Stillwater citizens who had bought the station at auction in order to insure that it be preserved. Three of these men are alumni of the Alpha Chapter of Kappa Kappa Psi.

The original plans for Stillwater Station are dated June 15, 1911. Construction of Stillwater Station was completed in 1917 with a formal dedication ceremony in 1918. Stillwater Station was listed on the National Register of Historic Places by the United States Department of the Interior, National Park Service, on March 3, 1980.

Stillwater Station provides Kappa Kappa Psi and Tau Beta Sigma with office space, a conference room, work room, storage space, and the National Archives. The purpose of the National Headquarters is to coordinate the activities of the Chapters and Colonies of Kappa Kappa Psi and Tau Beta Sigma and to serve the needs of Active members from across the nation. The National Headquarters is the link between these chapters and colonies and a source of continuity for the two organizations.

The services of the National Headquarters fall into four categories, all of which overlap: Administrative Services, Fiscal Management, Record Keeping, and Publicity and Promotion. The staff of the National Headquarters is accountable to the National Councils and Boards of Trustees of each organization, and through them, to the National Chapter.
THE CABOOSE
The Caboose was moved to our National Headquarters at Stillwater Station in 2006 to be used as a ‘living museum’, archive/research study and display/museum for the Fraternity's historical artifacts. The purchase and renovation of the Caboose was made possible by a gift from Mr. and Mrs. Al and Gladys Wright, as well as Brothers and Chapters of Kappa Kappa Psi.

THE NATIONAL SHRINE OF KAPPA KAPPA PSI
The National Shrine of Kappa Kappa Psi Fraternity is located on the campus of Oklahoma State University in a prominent position immediately west of the Classroom Building. Shaped as an irregular shaft a little over four feet in height, the Shrine is made of native Oklahoma pink granite.

On its sloping polished top is a bronze plaque, and the three Greek letters, “Kappa,” “Kappa,” “Psi.” The raised-letter inscription on the plaque reads as follows: “Kappa Kappa Psi, National Honorary Band Fraternity, Founded at Oklahoma State University, 1919” and “Tau Beta Sigma National Honorary Band Sorority, Founded 1946.” The National Shrine was formally dedicated on March 26, 1960.

Kappa Kappa Psi celebrated its Centennial on Saturday, July 20, 2019 at the end of the 2019 National Convention. There was a celebration in honor of our Founder, Charter Members and Bohumil Makovsky. In honor of the fraternity’s Centennial we added a new marker which states the following, “Here we rededicate this monument to the past and present brothers of Kappa Kappa Psi Honorary Band Fraternity on its Centennial in 2019.”
6. Ask the Membership Candidates to come up with a concrete definition? We all have common ideas and goals, and we all have the love for music. Because of this, we all share a common bond and have unconditional love and respect for each other.

7. Have Membership Candidates read the essay below. You may want to encourage Membership Candidates to make notes about their thoughts and reactions as they read.

**TOWARD A DEFINITION OF BROTHERHOOD**  
**BY JOHN SHERTZER**

“What is Brotherhood? I’ve often found that it’s a difficult concept to put into words. The dictionary just can’t seem to do it justice. The same with sisterhood. A common answer I heard during rush was: “it’s just something you have to experience to understand.” I probably said that to recruits as well as I’ve moved along in my fraternity journey, I think it’s becoming easier for me to define. Brotherhood is not as vague and intangible as it once was for me. At this point, if someone were to ask me to define Brotherhood in the fraternity sense, this would be my reply:

Brotherhood is the bonding of people of various backgrounds, beliefs, places, and eras around a singular set of life-directing commitments.

This is what allows me to share Brotherhood with the people I graduated with, and with those who graduated a century ago. It allows me to be a Brother with someone I disagree with politically, religiously, or in any other way. Because instead of being based on personalities and friendship, Brotherhood is based on shared commitments.

A Brotherhood is weak or strong based on the degree to which the commitments are made and maintained. A Brother is a good Brother if he/she follows the commitments and helps others follow them as well. How do I know if the recruitment chair’s claim of the “strongest Brotherhood on campus” is true? Or even partially true? By how much the Brothers know, stay true and hold each other true to those commitments.
Brotherhood has to be maintained. Constantly. For the rest of your life. If you choose to stop adhering to the commitments you made, then you fall out of the Brotherhood. You stop being a Brother, even if you’re wearing the letters or your name still appears in the directory. If a fraternity values togetherness and hanging out, then it is really valuing friendship. This is completely fine. Friendship is an attractive asset for a fraternity. It’s also an attractive asset for a residence hall floor. Lots of places can claim friendship. Brotherhood is not friendship, although it can create friendship. Brotherhood is a sacred privilege. It’s not easy to maintain. Brotherhood is unique enough that it is found sparingly.

Why is Brotherhood difficult to define? Because done right, it is extraordinary. There is a reason so many Brothers stand up at each other’s’ weddings. And eventually eulogize each other. Those moments are reserved for family, or those who might as well be. For those with whom we’ve forged a connection that’s deeper than just beers on Saturday nights, or Spring Break trips together. A connection born on the day we spoke the oaths that made us fraternity men together. Those oaths made us Brothers. And for as long as we pledge to stay true to those oaths, and help each other stay true as well, Brothers is what we’ll remain.”

As Brothers of Kappa Kappa Psi, we should demonstrate the following qualities: outstanding musicianship, leadership, positive attitude, integrity, dedication, good work ethic. Failure is learning. Learning doesn’t take place in the absence of mistakes. The goal is not to promote failure, but to recognize that it is a part of the process. Your mistakes do not define you; they are preparing and developing you for your future success. Love is the soul of Leadership and Brotherhood. Love must be at the center of our work for each other and bands. As leaders we must be in love with leading others and focusing on what is best for them. As Brothers we must be in love with band and music. We must be prepared to make a positive impact on our bands and the people around us. We must be Brothers and leaders that listen to understand, not reply. We must show our appreciation to each other, and celebrate excellence and success. If we aren’t surrounded by people who also believe this, we will look for the nearest exit. Leaders and Brothers work side by side to make great things happen for their chapter and band. We are meant to live in harmony with our fellow Brothers.

GUIDING QUESTIONS FOR DISCUSSION (CHOOSE FROM FOLLOWING):
• What is the definition of Brotherhood? Is it simple or difficult to develop a concrete definition? Why?
• Discuss how the chapter demonstrates Brotherhood. Can the chapter improve? How?
• How has the membership candidate class demonstrated Brotherhood? What can be done to improve this bond?
• How will the Membership Candidates blend into the chapter when they became Active? What, if anything, can be done to make this transition smoother?
8. The VPM can choose to do one of the following activities, or choose from the bank of suggested activities. The VPM can also choose to do an alternative activity, as long as it is in line with Kappa Kappa Psi Risk Management policies.

• After reading the essay and having a discussion with the guiding questions, some chapter Brothers can then tell stories of what Brotherhood means to them, allowing the Brother to share an experience about what led them to their personal meaning of Brotherhood.

• Instead of sharing personal stories, the VPM may choose to do Speed Dating as an alternative. Speed Dating is a game where candidates and Brothers discuss a standard set of questions and learn from each other.

**SPEED DATING QUESTIONS TO ASK BROTHERS AND CANDIDATES MIGHT INCLUDE:**

- Why did you decide to join Kappa Kappa Psi?
- What does Brotherhood mean to you?
- What has been your favorite fraternity moment?
- What impact does band have on your life?
- Why did you join band?
- Why did you decide to continue participating in band?

**DEBRIEF QUESTIONS AFTER SPEED DATING:**

- What did you learn about the Brothers that you talked to?
- What do we need to do to continue the feeling of Brotherhood?
- What do you see us accomplishing together?
9. The VPM can then choose one of the following as an ending activity to this lesson. You can also choose an alternative activity, as long as it is in line with Kappa Kappa Psi Risk Management Policies and approved by the District Governor(s):

**ACTIVITY 1: PERSONAL SCROLLS**

**Materials:** newsprint pad/construction paper/scrapbook paper, pens/markers, tape  
**Time of Activity:** 45 - 60 minutes, depending on the size of the class and number of people present.  
**The Task:** Write the names of each participant at the top of a piece of paper (whatever form of paper you choose to use). The pieces of paper are then hung on the walls and everyone has a chance to wander around the room and write positive comments or notes to that particular person on each sheet of paper. When everyone finishes, the scrolls are rolled and handed to each member to take home and read.  
**Source:** “Enhancing Self-Esteem Through Greek Membership,” AFA Resource Development Program, December, 1990

**ACTIVITY 2: KAPPA KAPPA PSI WANT AD**

**Materials:** markers and large paper for each group or Membership Candidate  
**Time of Activity:** 40 minutes  
**Activity:** Divide the chapter into small groups, or depending on the number of people present, it can be given to each individual person. This can also be done with just the Membership Candidate class or with both the Chapter and the Membership Candidate Class. Challenge each small group to write a “want ad” for a new member in 50 words or less. Have them write the ad on a large piece of paper and post it on the wall. Ask all participants to circulate around the room and silently read the ads.  
**Points for Discussion:** Which ad best communicates what we are seeking in a new member? Why? Would current Brothers respond to this ad? Did anything surprise you? What was left out? Was it difficult to communicate these ideas in words? In an advertisement? Why? Would an advertisement really attract you to join a fraternity? Did advertising influence your decision to join? What did influence your decision to join? How can we communicate the ideas we expressed in our ad in a more effective way?

**LESSON ASSESSMENT:**  
Membership Candidate will then reflect on the lesson by answering the self reflection questions at the end of the lesson in the guidebook.

**MEMBERSHIP CANDIDATE RESPONSE:**

- How does the Fifth purpose connect to the core value of Brotherhood?  
- After reading the essay, brainstorm concrete examples of Brotherhood from your chapter.  
- After discussing examples, write your own definition of Brotherhood. As a future Brother of Kappa Kappa Psi, how do you plan on living the core value of Brotherhood in your daily life?

MATERIALS NEEDED:
• Vice President of Membership Teaching Manual
• Membership Candidate Guidebook
• Responsibilities to the Chapter and Brothers
• Poster Paper, Paper Plates, markers, pens/pencils
• Internet access with a projector and audio as needed to show presentations, etc. to all members

PREPARATION:
Discussing the District and National Officers should not require the candidates to memorize the information. This should be a basic introduction to the information that can then be expanded upon in post-initiate sessions.

Lesson Seven should last roughly 75 - 90 minutes, depending on the size of the membership candidate class and the length of discussion.
Description of Instruction:

Part I: Responsibilities of Membership (25 Minutes)

1. The VPM will begin by outlining responsibilities of an active member. This includes reviewing all of the membership statuses in Kappa Kappa Psi.

Membership Statuses:
The Responsibilities of an Active Member (taken from the National Constitution)

6.506 Active and associate members of the Fraternity shall be registered students and members of the college or university band program who have been formally initiated after the completion of the Membership Education Program of the Fraternity. All annual dues and fees must be paid up to date to maintain active and associate membership in the Fraternity.

6.507 It shall be the duty of each active and associate member to attend all meetings of the chapter; to pay promptly all financial obligation to both the chapter and the Fraternity; to become acquainted with the National Constitution, District Constitution, the local constitution and the history of Kappa Kappa Psi; and to support the efforts and purposes of the chapter and Fraternity.

6.524 Membership status in Kappa Kappa Psi may not be terminated by the member through resignation. However, as stated in 6.520, 6.521, and 6.522, a member may be suspended or expelled for due cause by the chapter of his/her affiliation.

Alumni Status

6.514 Active, Associate or Conditional members of the Fraternity who have completed their education or who have terminated their affiliation with their college or university. In the event an alumni member wishes to reactivate with the respective chapter, said alumnus must be registered as a student, be an active member of the institution's band, and meet requirements as an active or associate member of the local chapter.

6.515 Alumni members have privileges that are at the discretion of the local Chapter. These privileges include but are not limited to: attending Chapter meetings, participating in Ritual, participating in Chapter fundraisers, and attending Chapter social functions. Alumni members shall not, at the Chapter or District level, hold office, propose candidates for membership, introduce business, vote on any matters, or act in the capacity of a big brother.

See Appendix B for Other Membership Statuses
GUIDING QUESTIONS FOR DISCUSSION:

- What do you feel makes a responsible Active member?
- How do you continue to be an Active member?
- How much are dues each year?
- Why do we pay annual dues?
- Describe the process in which a Brother can become Conditional?
- What rights does a Brother who is placed on Suspension have?
- What does it mean to be expelled from the Fraternity?

2. The VPM may choose to do the activity below or can choose an activity from the bank of suggested lesson plan activities or an alternative lesson that’s in line with Kappa Kappa Psi Risk Management Policies.

ACTIVITY 1: DRAWING THE IDEAL BROTHER

Materials: paper and markers for each group
This activity is great for introducing a number of important discussions with chapter members. Use it to discuss the type of person you are seeking in your membership recruitment effort or to create a common understanding of expectations for all members.

Time for Activity:
Activity: Divide the chapter in groups of 6 or less. Ask them to use their artistic skills to draw the ideal fraternity member. Have the small groups share their art work with the other groups.
Points for Discussion: Once the sharing and explanation is complete, discuss the drawings. You may want to ask: Where can we recruit members like this into our organizations? What is he looking for in a fraternity experience? How can we demonstrate this to him? Or you can ask: How can we encourage all of our Brothers to be like this ideal member? Who already has many of these qualities? What other qualities does our membership need to work to improve?
3. Review with Membership Candidates the National Structure. Emphasize that this portion of their Guidebook is to act as a resource to them throughout their term as an Active Member. The Membership Candidates are not required to memorize names and titles of members of the National Council, Board of Trustees, District Governors, Counselors, or Officers.

**THE NATIONAL ORGANIZATION OF KAPPA KAPPA PSI**

The national organizations of Kappa Kappa Psi Fraternity and Tau Beta Sigma Sorority host a biennial National Convention. At this convention, new National Officers are elected to govern the two fraternal groups, the National Constitutions are revised, and new awards and programs are created. The National Convention is planned by the National Councils and the National Executive Director. Each biennium, the location of the National Convention rotates through a regional system of Districts. One or more chapters within the given district will be selected to help host the event.

The current Districts are named according to their geographic location within the U.S. and include an International District. Each District is governed by an elected corps of officers; each District also has appointed advisors, known as Governors within Kappa Kappa Psi and Counselors within Tau Beta Sigma.

Districts allow local chapters in a region to develop a closer relationship fostered through various District functions and an annual convention. Hosted by chapters within the District, these conventions allow chapters to generate programs and policies. Often, the ideas that are shared at District Conventions are then discussed on a national level.

In 1987, the Districts were realigned from the original ten numbered areas to seven. This was done in order to better facilitate District meetings and eliminate those Districts having only one or two active Chapters.

**National Council**

All Members of the National Council shall serve without compensation. Expenses of each National Officer incurred on behalf of the Fraternity shall be paid by the Fraternity, upon presentation of a written statement approved by the National President and National Executive Director. Each National Officer shall have one vote at all meetings of the National Chapter and National Council. National Officers shall not be eligible to serve as chapter proxies at conventions. If a vacancy occurs in the office of the National President, the National Vice President for Colonization and Membership shall become National President. In this event, the Board of Trustees may appoint a National Vice
President for Colonization and Membership If a vacancy occurs in any of the other offices, the Board of Trustees shall appoint someone to finish out the term.

Understanding the responsibilities for your National Officers is very important in the running of a local chapter. By understanding the different offices, a chapter can contact the right officer when a question arises that the chapter might need help from the National level to answer. The following are responsibilities of the different officers.

The National Council of Kappa Kappa Psi

National President - Marco Krcatovich II
The National President shall be designated as the Executive Officer of the Fraternity and the National Chapter and the National Council. The National President shall be a member ex officio of all committees and shall sign all charters, shingles, contracts, and other instruments of business of the Fraternity. In addition, the National President shall appoint all committees, be a member of the Corporation's Board of Trustees, and shall further be designated as the official representative of the National Chapter, whenever such representation shall be required.

National Vice President for Colonization and Membership - Jessica Lee
The National Vice President for Colonization and Membership shall, in the absence of the National President, preside at meetings on Colonization and Membership shall advance the purpose of the Fraternity as stated in the preamble of the National Constitution through colonization and membership. In addition, the National Vice President for Colonization and Membership shall work along with the National Council, District Officers, Governors, and the Chapter Field Representatives in the area of colonization and membership The National Vice President for Colonization and Membership shall coordinate the activities of the Chapter Field Representative with the National Executive Director.

National Vice President for Programs - Michael Napolitano
The National Vice President for Programs shall promote and publicize the national programs of the Fraternity to the membership and the outside community. The National Vice President for Programs shall take minutes at National Conventions and National Council meetings, and publish them as needed.

National Vice President for Student Affairs - Bang Co
The National Vice President for Student Affairs shall be a regular member of the National Council and have all the rights and privileges thereof. The National Vice President for Student Affairs shall attend all National Council meetings, be an able representative of the active student members of the Fraternity at all times, and shall be an Active Member or Life Member. The National Vice President for Student Affairs shall send to all of the district officers a summary of the National Council actions and meetings.
National Vice President for Professional Relations - Anthony Falcone
The National Vice President for Professional Relations shall serve as a liaison for Kappa Kappa Psi with the college band teaching profession. The National Vice President for Professional Relations must be chosen from the collegiate band profession. The National Vice President for Professional Relations shall be appointed by the National President with approval from the National Council and serve a term of two years.

Board of Trustees
Kappa Kappa Psi is legally a corporation, incorporated under the laws of the Sovereign State of Oklahoma as of November 27, 1919. The Corporation, Kappa Kappa Psi, has jurisdiction over all the component parts of the Fraternity which are: (1) Corporation; (2) National Chapter; (3) Districts; (4) Chapters; (5) Kappa Kappa Psi Alumni Association.

The Board of Trustees shall consider all issues of national policy, alumni, public relations, legal matters and internal problems of the Fraternity, which are referred to it by the National Council. Except in matters determined by a Court of Law, the decision of the Board of Trustees if final. In any instance in which a component part fails to function at the national level, the Board of Trustees shall take steps necessary to return matters to normal.

**NATIONAL AND DISTRICT LEADERSHIP “GUESS WHO” (10-20 MINUTES)**

Playing cards with the headshots of the National Leadership. This includes local District Governors, National Council Members, Members of the Board of Trustees and any other member of the National Leadership the Vice President of Membership feels is relevant to the game.

Without looking at the card, Membership Candidate will pick a headshot at random and hold it up to the class.

The rest of the Membership Candidate class will give clues based on the individual, with the Membership Candidate holding the card guessing which member of the National leadership they have in their hand.

It is composed of representatives of the chapters and colonies in your district, representatives who are to plan programs, elect officers, choose a site for the next meeting, and set the guidelines for the host chapters to work with. They must handle any special problems of a regional nature which might not fit in with the business at a National Convention, discuss national operations and requirements as they affect district operations, and help determine policy and procedure that can be brought to the floor of the next National Convention.

Other District Events include:
THE FINAL LESSON:
A LIFELONG COMMITMENT

SUMMARY OF LESSON:
Review of the following information:
• National Brand
• Preamble and Five Purposes
• Creed
• Fraternal Code of Conduct
• Motto
• Alumni Association
• Life Membership
• Social Media
• Giving Programs

REQUIRED ATTENDEES:
• Membership Candidates
• Vice President of Membership
• All chapter members.

NOTE:
This lesson may be taught before or after third degree.
LEARNING INTENTIONS

MembershipCandidates will be able to:

• Live a life that is guided by The Ritual and core values of Kappa Kappa Psi.
• Synthesize the motto, creed, fraternal code of conduct, purposes and the national brand of the fraternity into a cohesive understanding of the core values of the fraternity.
• Build relationships with the active Brothers through team building activities.

MATERIALS NEEDED:
See the team building activities for materials.

PREPARATION:
This lesson can be split throughout the week. The Kappa Kappa Psi Challenge can be issued to MembershipCandidates at the beginning of the week, to give the class ample time to work on this project. Team building activities can occur throughout the week or on one night, depending on the schedule of the chapter.

This Final Lesson will take roughly 75 - 120 minutes, depending on the variety and amount of activities the VPM decides to do with the chapter and membership candidate class.
Description of Instruction:

At this point in the process, the Membership Candidates will have been exposed to the core values of the organization, including the lessons learned in First and Second Degree.

In this lesson, there are two goals:
• The Membership Candidates should be able to work collaboratively to synthesize the core values of the fraternity into a creative video or presentation that showcases Kappa Kappa Psi and what it means to be a Brother.
• The active chapter and the Membership Candidates should work through a series of team building activities to bring both groups together as one cohesive chapter.

Complete the following in the membership candidate guidebook:
The Motto of Kappa Kappa Psi is: _____________________________.

Membership Candidate Response:
What attributes, qualities, and actions makes a good active member of Kappa Kappa Psi?

The VPM can choose one or more of the following activities as a culminating activity of their Membership Education Program. The bank of suggested activities can be used or an alternative activity, as long as it is in line with Kappa Kappa Psi Risk Management Policies and has been submitted and approved as an activity review. The portfolio projects should also be presented to the chapter as part of this lesson.
ACTIVITY 1: KAPPA KAPPA PSI CHALLENGE

**Materials:**
- A box with an assortment of materials that the Membership Candidates can use in their video as props. Materials could include:
- A curling iron, brush, or something that can be used as a microphone
- Items that can be worn as costumes (hats, sunglasses, etc.)
- A fraternity flag, red carnation, or other items of the fraternity
- Random items to encourage creativity (a piece of fruit, water bottle, a toy...the options are endless)
- A description of their challenge
- Use of a cell phone or camera for taking video OR access to technology (computer and projector).

**Kappa Kappa Psi Challenge**
As you are about to become an initiated member of Kappa Kappa Psi, it is important to be able to articulate an understanding of the core values of our organization. In this challenge, as a Membership Candidate class, you will work together to create a video or presentation that describes the core values of Kappa Kappa Psi and what it means to be a Brother in our organization. You will be given a box of props that you can use in your video or presentation. Choose a location that will bring meaning and value to your video or presentation.

The Membership Candidate Guidebook contains a copy of the challenge, as well as a place for the Membership Candidate to brainstorm ideas for their video or presentation. The Membership Candidates may choose to do a skit, play, poster, or other creative presentation in place of a video. The VPM can give this challenge to the Membership Candidate Class to complete over several days or a week. The VPM should schedule a special time for the Membership Candidates to reveal their video or give their presentation.

ACTIVITY 2: VALUES BAGS

**Materials:** a brown paper bag filled with the following suggested items: pencil, penny, fraternity badge, watch, paper clips, scissors, beer bottle cap, soda bottle cap, and other household item. You can also include other fraternity items.

**Time for Activity:** This can be done in one night (90 minute lesson) or it can be given as an assignment during the week, with a due date and presentation night scheduled for the reveal of the bags.

**Preparation:** Break the Membership Candidate class into small groups of 4-5 OR other size groups (including individual Membership Candidates) depending on the size of the Membership Candidate class.
Activity: Each group or individual is given a bag filled with the various items. Empty the contents of the bag on a level surface so each group member can see all items. All participants should have a pencil and paper with which to write. Membership Candidates should work together and/or personally reflect to apply some meaning to each of the items in the bag. What does each piece symbolize to you? (ex. a pencil could represent scholarship, artistic skills, finances, etc.) This is a good opportunity to stress creative thinking.) When everyone is finished writing down their responses, the Membership Candidate or group will be given time to develop a presentation for their Kappa Kappa Psi Value Bag. Within the presentation, each Membership Candidate should pick their top three most prized items in the bag and give a rationale to their ranking. (ex. I think the pencil, which represents __________ was the most important because __________.)

Points for Discussion: What was the object everyone put as their top choice? How did you rank the rest of the objects? Is it consistent for each member of the group? In our chapter? How does this exercise help us to better understand others’ needs, desires, values, and priorities? Were you surprised by anyone’s ranking? Whose? Why? Why not? How can we take what we learned about each other today and use it for the future?

Throughout the week or on one night, depending on the schedule of the chapter, the VPM can review the following team building activities and choose one or more of the following or find alternatives to do with the Active Members and Membership Candidates:

1. KKPSI HeadBandz/Heads Up
   • What You’ll Need: pre-made cards, bandana or headbands
   • Directions: This game is played like the board game HeadBandz or the app game Heads up. HeadBandz is, at its heart, 20 Questions in reverse. Each of the 2-6 players puts on a fashionable blue plastic headband (or bandana) and puts one of the picture cards (in the case of this game, it can be pictures or a word) in the headband without looking at it. On a player’s turn, that player asks the other players yes/no questions trying to determine the object on their card. When an object is correctly guessed, the player takes a new card and continues. When time runs out, it is the next player’s turn. The scoring system in the game starts each player with three chips; a player who correctly guesses an object loses a chip, and a player can give up on guessing an object and get a new card if they take a chip. The first player to lose all their chips wins.

   The VPCM should make cards ahead of time that are fraternity related.

   Possible topics might include:
   (https://www.wrike.com/blog/ultimate-guide-team-building-activities/)
2. Marshmallow Spaghetti Tower
• What You’ll Need: 20 sticks of uncooked spaghetti, 1 roll of masking tape, 1 yard of string, and 1 marshmallow for every team.
• Instructions: Using just these supplies, which team can build the tallest tower? There’s a catch: the marshmallow has to be at the very top of the spaghetti tower, and the whole structure has to stand on its own (that means no hands or other objects supporting it!) for five seconds.

3. Toxic Waste
• What You’ll Need: 1 small and 1 large bucket, 1 rope, 1 bungee cord loop, 8 bungee cords, 8 plastic or tennis balls
• Instructions: Use the rope to make an 8-foot circle on the ground that represents a toxic waste radiation zone. (You can make the radiation zone bigger to increase the difficulty.) Put the balls in the bucket and place it in the center of the circle to represent the toxic waste. Place the large bucket about 30 feet away. Teams must use the bungee cords to find a way to transfer the toxic waste balls from the small bucket to the large bucket within a certain amount of time (15-20 minutes). Anyone who crosses the line into the radiation zone will be “injured” (you can blindfold them, or make them hold one hand behind their back), or “die” (must sit out for the rest of the game). Dropping toxic waste balls will similarly result in injury, and spilling the entire bucket means everyone on the team is dead.
• Solution for referees: Attach the bungee cords to the bungee loop, then have everyone hold and pull on the cords to stretch the loop and guide it over and down around the toxic waste bucket. Loosen the cords to contract the bungee loop so it grips the bucket. Use the cords to lift the bucket and tip the balls into the large “neutralization” bucket.

4. Campfire/Memory Wall
• What You’ll Need: Post-It notes or a whiteboard
• Instructions: Write a few general chapter/Fraternity related topics on the whiteboard or on sticky notes posted to the wall: “Service,” “Brotherhood,” “Leadership,” etc. Gather together and have everyone choose one of the topics and share a story from their time in the chapter or Membership Class to laugh and bond over shared experiences. Or, pass out sticky notes and have everyone write down positive memories of working together. They can use words or pictures to record these memories. Then have everyone share their memory and post it on the wall, forming a positive memory cloud.

5. Frostbite
• What You’ll Need: 1 packet of construction materials (like cardstock, toothpicks, rubber bands, and sticky notes) for each team, an electric fan
• Instructions: Your teams of 4-5 are no longer sitting in your office, they’re Arctic explorers trekking across the frozen tundra! Have each team elect a leader to guide their expedition. When a sudden storm hits, the team must erect an emergency shelter to survive. However, both of the team leader’s hands have frostbite, so s/he can’t physically help construct the shelter, and the rest of the
team has snow blindness and is unable to see. Give each team a set of construction materials and start the timer. When time runs out, turn on the electric fan’s arctic winds and see who successfully built a shelter that will keep them safe. Adjust the difficulty with sturdier construction materials (provide popsicle sticks instead of toothpicks, etc.), by changing the fan’s settings, or by having the fan running while the team constructs their shelters.

6. Minefield
- **What You’ll Need:** An empty room or hallway, and a collection of common office items
- **Instructions:** Use boxes, office chairs, water bottles, etc. to create an obstacle course of “mines” within your empty space. Divide the group into pairs, where one partner is blindfolded. The other must guide that person from one end of the course to another without setting off any mines. The person guiding their partner cannot enter the course and must only use verbal instructions to get their partner through. Depending on the number of people you have and how difficult you want this activity to be, you can vary the number of pairs trying to complete the course at the same time so that pairs have to work harder to listen to each other and communicate clearly.

7. Egg Drop
- **What You’ll Need:** A carton of eggs; basic construction materials like newspapers, straws, tape, plastic wrap, balloons, rubber bands, popsicle sticks, etc.; tarp or drop cloth, parking lot, or some other place you don’t mind getting messy!
- **Instructions:** Divide the group into teams and give each one 20-30 minutes to construct a carrier that will keep an egg safe from a two-story drop (or however high you choose). If you end up with a tie, gradually increase the height of the drop until you’re left with a winner.

8. Poker Tower (15–30 minutes)
- **What You’ll Need:** A pack of poker cards and a pair of scissors for each group
- **Instructions:** Distribute a pack of poker cards and a pair of scissors to each group of 2-5 members. Instruct them to build the tallest poker tower using ONLY the cards and scissors given to them. This will stimulate creativity and team bonding, as the team figures out how to build the tower with the limited material available. (Optional: Spice up the game with 1 A4 size piece of paper)

9. Helium Stick (15 minutes)
- **What You’ll Need:** a long thin stick
- **Instructions:** This is a quick game that serves well as an ice-breaker or a short coffee break. A long thin stick is required. Be sure to call the pole a “Helium Stick” when you introduce the exercise. Place your group in two lines facing each other. Have each person hold the index finger of their right hand chest high. Place the helium stick on top of the outstretched fingers. The challenge is to lower the stick to the ground while keeping everyone’s fingers touching the stick. If anyone’s finger loses contact with the helium stick, you must start again. At first the stick will seem to rise (hence the name Helium Stick). In fact, it is simply the upwards pressure of everyone’s fingers causing the stick to go up instead of down. Once everyone relaxes they can easily lower the stick to the ground. This usually takes ten minutes of laughter and a leader to complete. (Optional: swap the helium stick for a helium balloon for a smaller team)
10. Talking in Circles (0.5-1 hour)

- What You’ll Need: a long piece of rope, yarn, or string
- Instructions: This is a highly challenging game that is only recommended for teams who love challenges. Place everyone in a circle around a long piece of string that is tied at its ends to form a circle. Have everyone grasp the string with both hands and hold the string waist high. Without letting go, the team will have to form shapes with the string; a square, a triangle, a figure eight, a rectangle, etc. Repeat the game but with everyone’s eyes shut! This will require everyone to communicate clearly and listen well. Make the shapes progressively harder and periodically have them stop and open their eyes to see their progress…or lack thereof.

11. Salt and Pepper (15 minutes)

- What You’ll Need: prepared pairs of words on paper, tape
- Instructions: This activity is fun, excellent for energizing your team, and also great as a quick ice-breaker exercise. It is simple to set up and suitable for a wide team size of 10-40 people (ideally even numbered). The VPM should think of pairs of things such as, salt and pepper, yin and yang, shadow and light, peanut butter and jelly, Mickey and Minnie mouse, male and female, and so forth. You could also use fraternity pairing words as well. Write each item on a piece of paper (i.e. salt on one piece and pepper on another), and tape one paper on the back of each person, making sure they can’t see it. When the game starts, everyone must walk around asking yes or no questions in order to find out what word they have taped to their backs. Once they figure that out, they need to find their other pair. Learning how to ask the right questions is the key. (Optional: The two will then sit down and learn three to five interesting facts about one another)

12. Giants/Wizards/Elves

- What You’ll Need: Either a piece of chalk or a string to separate two sides
- Directions: Split the group into 2 teams and explain the directions and show the actions. Each team huddles and picks a character for the round choosing from giants, wizards, or elves. The team must agree on a character and everyone on the team must act out the same character for that round.
  - Each character has an action:
    - Giants put their hands up over their heads (to make them look taller), and make a roaring sound.
    - Wizards put their hands out straight in front of them wiggle their fingers (as if they are casting a spell) and make a buzzing sound.
    - Elfs take hands and push their ears out and make an elfish sound like wickie, wickie, woo.
  - And each character beats one other character:
    - Giants beat Elves
    - Elves beat Wizards
    - Wizards beat Giants.
    - If both team picks the same character it is a draw.
  - Once each team has decided what character they will be for that round, the teams come up to the center and line up face to face. * On the count of 3, everyone does the action of their team
character. The team whose characters win that round chase the other team, trying to tag as many members on the other team as possible before they reach the safety zone. e.g. if team one picks giants and team 2 picks elves, team one chases team 2 and tries to tag as many of the elves as they can before they reach the safety zone. Members from the team that are tagged become part of the winning team, so one group grows and the other group shrinks. You then repeat the process, giving the new teams a minute to decide what character they want to be, and then call them back to the middle to begin again. The game ends when one team has completely absorbed the other team, or when you run out of time.

Kappa Kappa Psi Alumni Association

The Kappa Kappa Psi Alumni Association is dedicated to supporting the Fraternity. Recognizing that the college band experience should continue after graduation, the National Alumni Program will focus its efforts on connecting and enriching members from the past, present, and future of college and university bands; promoting lifelong involvement with band; and enhancing the long-term growth and financial viability of Kappa Kappa Psi.

The Kappa Kappa Psi Alumni Association is an opportunity for members to extend their fraternity activity by participating as alumni Brothers and is open to all alumni, life, and honorary members of the Fraternity. Members of the Alumni Association help offset costs of the Alumni Program, while annual dues and donations support alumni activities to ensure the Fraternity’s continued ability to provide valuable experiences for all members following graduation.

The Alumni Association is administered by the Kappa Kappa Psi Alumni Board of Directors (AABOD). While members of the Alumni Association do not conduct business meetings as an assembled body, the Board of Directors discusses Alumni Association activities, directions, and goals with association members at conventions and other meetings to plan future alumni programs and events.

The lesson review sheets are a resource that the Vice President of Membership can use in a variety of ways to reinforce the information taught in each lesson:

1. Review sheets can be used at the end of the lesson to assess learning.
2. Review sheets can be used as an assignment or homework between Membership Candidate meetings as a way to reinforce information. Review sheets could be completed individually, as a Membership Candidate class, or with big brothers.
3. Review sheets can be used at the beginning of a meeting to review the previous week’s Information.

These review sheets are not intended to be a test, nor are they intended to prevent a candidate from becoming a brother.

These sheets are used to reinforce and review information taught in each lesson.

PREPARATIONS
for the Installation of Officers

Performers:
Ceremony Team Members to include:
- Outgoing Officers
- Incoming Officers

Materials Required:
Table for Altar with the following (see diagram below):
- Lectern or Reading Stand
- Charter (if available)
- President’s Gavel
- Any officer materials from Outgoing Officers
- List of Chapter Officer Names and titles

Room Arrangement:
Select a room that is appropriate based on location, accessibility, size, and sightlines.
- No floor design is needed.
- Place a table to serve as an altar just beyond the center of the room, on the side opposite the entrance. Upon this altar should be placed the lectern or reading stand for the Installing Officer.
- The outgoing President presiding from behind the altar.
- The new officers should be sitting in the front row of chairs before the altar, with the outgoing officers flanking the outgoing President evenly on either of their sides.
- The rest of the chapter sitting in the subsequent rows of chairs facing the altar.
- Alternatively, the new officers could be sitting in the front row of chairs facing the altar on the left-hand side while the outgoing officers sit in the front row of chairs facing the altar on the right-hand side. The rest of the chapter sitting in the subsequent rows of chairs facing the altar.

Special Note on the Use of Religious References:
All participants should be informed of any religious connotations contained within the ceremony, and any objections noted and advised. Any references made to any divinity or deity may be left unspoken by those individuals with sincere objections upon their request. Chapters may also forgo the use of the Bible as part of the altar setup if sincere objections are registered.

Special Note on Accessibility within the Ceremony:
Every effort should be made to allow individuals with disabilities to fully participate in the Fraternity’s Ritual and Ceremonies, both as candidates and as spectators. Many colleges and universities have specific guidelines relating to the accommodation of disabled or handicapped students; it is important to know what policies exist on your local campus. Discuss the situation with the individual(s) affected to ensure they are comfortable with the accommodation offered.

Questions on this issue should be brought to the attention of your Sponsor or Director of Bands.

General Comments:
This is an important occasion in the life of any Chapter, for it is symbolic of the passing of authority and continuity of action from one band of Brothers to another. Each member of the Chapter should make a special effort to be present for this ceremony, to acknowledge their individual support, encouragement and assistance to the new administration.
CEREMONY
for the Installation of Officers

The retiring President summons the officers elect before the altar or chairperson’s table, calling them in order of their rank. The President addresses them as follows:

RETIRING PRESIDENT: Brothers, the (Proper Greek Name) Chapter of Kappa Kappa Psi has seen fit to entrust its fortunes into your hands for the coming term of office. This is both an honor bestowed and a privilege granted. It is an opportunity worthy of your best efforts.

In accepting this responsibility, you willingly commit yourselves to whatever toil and sacrifice is necessary in the interest of the Fraternity and to the fostering of its ideals. To shirk is to betray a trust.

Your duties are clearly defined in the Constitution. Your Brothers believe that you are capable of performing them with distinction, and will diligently support your administration.

It is now both an honor and my pleasure to administer to each of you, and to all at one time, the Oath of office of Kappa Kappa Psi. You will each raise your right hand and repeat after me the Fraternity’s Oath of office:
(Rap Gavel Twice)

I, state your full name — in the presence of Almighty God and the Brothers of Kappa Kappa Psi here assembled, — do hereby swear — that I will perform the duties of my office, — as set forth in the Constitution of Kappa Kappa Psi, — to the best of my ability, — and in the best interests of the Fraternity.

In accepting this office, — I solemnly promise without reservation, — to devote sufficient of my time and energies — to fulfill all obligations placed upon me — in the pursuance of my duties.

I hereby reaffirm my ritualistic vows — and rededicate myself — to the promotion of the ideals of the Fraternity, — the maintenance of its traditions, — and the preservation of its honor. — So help me, God.

Brothers, you have heard the promise of these officers elected by the (Proper Greek Name) Chapter. Surely you must agree that even the most intelligent and dedicated leaders would be powerless without the loyal support and cooperation of the members.
Just as any melody, from the most basic motives to the most ornately crafted themes, may be enhanced by a wise use of harmony or destroyed by discord, so to is the Brotherhood within this chapter. It is your duty to assist your officers in working toward the goals which animate us all.

It is now my honor and pleasure to administer to each of you, and to all at one time, the Oath of support of Kappa Kappa Psi. You will each raise your right and repeat after me.

I, state your full name — in the presence of Almighty God — and the Brothers of Kappa Kappa Psi here assembled, — do hereby swear — that I will endeavor to work — with the brothers and officers — of this chapter — to the best of my ability, — and in the best interest of the fraternity.

I solemnly promise without reservation — to at all times — apply my efforts and energies — in the best interests — of our University (College) Bands — and in a manner — consistent with the ideals and goals — of Kappa Kappa Psi.

I hereby reaffirm my ritualistic vows — and rededicate myself — to the promotion of the ideals of the Fraternity, — the maintenance of its traditions, — and the preservation of its honor. — So help me God.
(Rap Gavel Once)

**RETIRING PRESIDENT:** Brother President, I now tender you the gavel which symbolizes the authority of your office. To each of you, the retiring administration will present all records and documents pertaining to your various offices.

(Pause while records are transferred)

I now declare you duly installed as officers of the *(Proper Greek Name)* Chapter of Kappa Kappa Psi; and, in the name of the retiring officers and your Brothers here assembled, I wish you good fortune and Godspeed.

Congratulations!

The retiring President raps once with the gavel and the Chapter is seated. The President then concludes:

The retiring officers shall vacate their posts and congratulate their successors. The new officers shall assume their posts and any appropriate remarks are made by the new President, who then closes the meeting.

6.519 Upon due cause, a member of the Fraternity may be placed on probation following a favorable vote on the motion of seventy-five (75) percent of the chapter’s eligible voting membership and approval by the chapter sponsor.

6.520 A member placed on probation shall be informed, in writing, of the following: the reasons for probation; a specified time period in which to make restitution; and the obligations needed to be fulfilled within that time period. Fulfillment of all obligations within the specified time period shall return said member to previous membership status. Fulfillment of all obligations shall be approved by the chapter and sponsor. Failure to complete all obligations is just cause for either an extension of the probationary term or for the initiation of suspension proceedings.

Suspension
6.521 Upon due cause, a member of the Fraternity may be suspended following a favorable vote of seventy-five (75) percent of the chapter’s eligible voting membership and approval from the chapter sponsor. Suspended members may not participate in any Fraternity business, projects, or activities.

6.522 A member placed on suspension shall be informed, in writing, of the following: the reasons for suspension; a specified time period in which to make restitution; and the obligations needed to be fulfilled within that time period. Fulfillment of all obligations within the specified time period shall return said member to previous membership status. Fulfillment of all obligations shall be approved by the chapter and sponsor. Failure to complete all obligations is just cause for either an extension of the suspension term or for the initiation of expulsion proceedings.

Expelled
6.523 Upon due cause, a member of the Fraternity may be expelled following a favorable vote of seventy-five (75) percent of the chapter’s eligible voting membership and approval of the chapter sponsor. Such expulsion must conform to the rules and regulations of the local institution involved. The member will be given a hearing before the said motion is voted on. The vote will be a secret ballot, and the member will be informed of the vote totals. Having been expelled, the member shall return to the chapter all regalia and property of the Fraternity being held, and the name shall be stricken from the Master Chapter Roster at the National Headquarters.

Brother Interview Guidelines

The Purpose of the Brother Interview

The purpose of the Brother Interview is to connect Membership Candidates to the Active Members of the local chapter of Kappa Kappa Psi. This setting provides dialogue and a deeper level of fellowship that acquaints Membership Candidates and Active Members alike with the quality and character of each individual.

Stipulations for Interviews

• The interview is best done in a public place, such as a local coffee shop, an on campus dining facility, or your favorite public place on campus. Please do not put yourself in a situation at someone’s home or apartment.
• The interview should not run over an hour and should take place between normal university class operating hours. Interviews can take place on the weekend, as long as they stay within the normal university class operating hours.
• The interview needs to be a conversation between the Brother and Membership Candidate.
• Interviews should be planned and scheduled ahead of time, and should not be a surprise to the Membership Candidate or Brother.
• Brothers should conduct themselves in a manner consistent with the values of the fraternity and policies of the educational institution.
• No interviews with other musical organizations or conditional members.
• No individual alumni interviews – panel interviews only.

Interview Options for Small Chapters (1-20 Brothers)

• The Membership Candidates have the ability to interview every Brother in a small chapter.
• The VPM may also choose to use one or more of the alternatives for interviews listed below. For especially small chapters, the use of group and social events can help bring the chapter together.

Interview Options for Large Chapters (20 or more Brothers)

• Each week during the Class meeting, set aside time for a class interview. A different past membership Class will be assigned to come in each week, and the Class of Active Brothers will spend this designated time during the Class meeting to have a Class-to-Class interview for no longer than one hour. This should be conducted more as a casual conversation in a group, rather than formal one-on-one interviews.
• It is NOT feasible or appropriate for Membership Candidates to conduct one-on-one interviews with each active Brother.
• The VPM may also choose to use one or more of the alternatives for interviews listed below.

Alternatives for Interviews:

• Kappa Kappa Psi Speed Dating
• Group activities or a social event where the Membership Candidate class and the chapter (or a portion of the chapter) is at an event.
appendices

• Potluck Dinner - both Brothers and Membership Candidates bring a dish and socialize together.
• Kappa Kappa Psi Bingo Card

Interview “Do’s and Don’t’s”:

For Brothers
• Do be approachable for Membership Candidates.
• Do reach out to Membership Candidates that you may have not yet met. Remember that these MC’s are joining Kappa Kappa Psi, an organization you are a part of already. It may be more difficult for Membership Candidates to reach out and schedule a meeting, due to not yet feeling comfortable with reaching out to Active Members.
• Do suggest a meeting place that may be a favorite spot of yours, or explore new options around town.
• Do keep the meeting place public; this is for the safety and protection of both individuals involved in the meeting.
• Do not “grill” or expect Membership Candidates to repeat, perform, memorize, or recite information. The “Road to Wisdom” Program is meant to build upon the strengths and foundation the Membership Candidate already possesses.
• Do not task Membership Candidates with projects. Interviews are a time to build relationships.

For Membership Candidates
• Do request Brothers to meet with you in a place that both parties feel comfortable.
• Do not wait until the last week prior to initiation to complete interviews with the Active Members.

Class Interview Option

In an effort for Membership Candidates to transition from acquaintances to Brothers, Membership Candidates will interview Active Brothers during weekly interview sessions by way of Class interviews. Interviews provide both Actives and Membership Candidates with a structured, yet informal, setting that provides dialogue and a deeper level of friendship through knowledge. Membership Candidates will interview all Active Brothers of the chapter through Class interviews. Interview pages should still be made for Brother Class interviews. An interview page should be made for each past membership Class, including questions for the Class as a whole and questions for individual Brothers in the Class.

It is the responsibility of the membership committee to teach Membership Candidates and Actives alike as to how interviews shall be set up and conducted. Ten questions are the minimum to comprise a satisfactory interview. These questions will aim at providing insight as to the quality and character each Active member possesses. The questions are subject to an approval by the membership educators, and will be evaluated on educational and personal value.

Setting up additional meeting time is the responsibility of the Membership Candidates and desired Actives. These times must be reasonable to all parties. It is not required, but is strongly recommended. During interviews, Actives are encouraged to be themselves. Actives shall also interview the
Membership Candidates to become more knowledgeable and to strengthen the developing bonds of Brotherhood.

- What is your major?
- Where is your hometown?
- What instrument do you play?

A Brief History of Tau Beta Sigma

The following excerpt from The Baton, forerunner of The Podium, describes the origins of Tau Beta Sigma. However, this was not the first time a Band Sorority was mentioned in Kappa Kappa Psi chronicles.

During the winter and spring of 1940, the young ladies of the Texas Tech Band were not satisfied to be left out in the cold while the Kappa Kappa Psi men were busily engaged in aiding the band. They went into action and organized a band sorority....
They named the organization ‘Tau Beta Sigma’ and adopted a constitution which called for formal pledging and initiation ritual. They have their pin designed for members and pledges, a coat of arms, sorority crest, and all of the necessary arrangements for a complete organization. They meet on Monday nights, the same as the Kappa Kappa Psi men, and continue to operate through the school year of 1941–42. New officers for the coming year have been elected and the sorority has expressed a keen desire to become affiliated as an auxiliary unit with Kappa Kappa Psi…. —From The Baton of Kappa Kappa Psi, May 1942

In the early years of the fraternity most college bands were entirely male, and prior to the early 1970s Kappa Kappa Psi was an all-male organization. Women started to join college bands before World War II, but there was no organization available to them similar to Kappa Kappa Psi.

In 1937, the first practical idea for establishing an organization for band women was presented to D. O. Wiley, Director of the Texas Tech University Band. A member of the band, Wava Banes (now Wava Banes Henry of Midway, Utah), along with her classmates, Emily Surell and Rosell Williams, discussed many of the possibilities and requirements necessary for the formation of a National Band Sorority. Their plans came to fruition in 1939, when a group of women in the Tech Band founded a local organization, known as “Tau Beta Sigma,” modeled both in principle and idealism after Kappa Kappa Psi. Just like the Fraternity, TBΣ was designed to serve as an honorary, service, and leadership recognition society, but one to provide special social and educational experiences useful to women in the “all male world” of collegiate bands.

Unfortunately, just as the group was becoming well established, World War II disrupted plans to make the Sorority a truly national organization. However, TBΣ continued to grow at Tech, taking over key projects within the band program and assuming much of the responsibility for keeping the Tech Band in operation during the war years.

In June of 1943, the Tech women petitioned the Grand Council of Kappa Kappa Psi to become a part of the National Fraternity as an active chapter. Accepting the group under these conditions would have entailed a complete revision of the Fraternity’s constitution, an impossibility under wartime conditions when all Fraternity operations were virtually suspended. Accordingly, it was suggested that Tau Beta Sigma incorporate as its own national organization, but the legal requirements of the State of Texas precluded this. In 1945, A. Frank Martin, Executive Secretary of Kappa Kappa Psi, was invited to meet with the women and assist them in designing a plan to gain national status. During the meeting, it was determined fewer obstacles would be encountered by submitting a charter application for the national organization in the State of Oklahoma. In order to establish the national organization, the women of the Texas Tech Tau Beta Sigma Band Sorority surrendered their name, Chapter Constitution, Ritual, and jewelry designs to the band club at Oklahoma State University. On March 26, 1946, a corporate charter was granted to Tau Beta Sigma by the State of Oklahoma. The Kappa Kappa Psi delegates at the 1947 Fraternity Convention officially voted to accept Tau Beta Sigma as a “sister organization” of the Fraternity and offered this new organization the privilege of sharing all fraternal publications, National Office operations, staff personnel, and other fraternal programs. Kappa Kappa Psi and Tau Beta Sigma have shared a National Headquarters since 1947.

For many years, the National Headquarters of Kappa Kappa Psi and Tau Beta Sigma was located in the Seretean Center for Performing Arts on the campus of Oklahoma State University in Stillwater, Oklahoma. In November of 1991, the National Headquarters of Kappa Kappa Psi and Tau Beta
Sigma moved to Stillwater Station, in Stillwater, Oklahoma, which is listed in the National Register of Historic Places.

**Tau Beta Sigma Today**

One of the landmark contributions Tau Beta Sigma made to the world of college and university bands was the creation of a national award designed to honor women for outstanding service to music. The Outstanding Service to Music Award was presented in 1969 to Barbara Buehlman, music educator, composer, and executive administrator of the Mid-West Band and Orchestra Clinic. The Silver Anniversary of Tau Beta Sigma was celebrated at the 1971 National Convention. The concert march, Tau Beta Sigma, by Donald I. Moore, was commissioned to commemorate the founding of the Sorority.

During the 1970s, Tau Beta Sigma continued to grow. Participation and service at the local, district, and national levels helped to improve the lines of communication between the National Council and the Active membership. In 1977, all former membership restrictions were removed and chapters were provided the opportunity to initiate male members of the band. In addition, the national fee structure was aligned and all former debts of the Sorority were eliminated. The Gamma Kappa Chapter at the University of Connecticut was the first coed chapter by more than one year.

Considerable membership growth and colonization in the early 1980s sparked the Sorority to re-evaluate its programs and goals. There was a need to achieve a balance between the support services for chapters and colonies and public relations within the music profession.

During the 1980s, Tau Beta Sigma adopted national policies on hazing and alcohol. The geographical districts were restructured and renamed, and the Ritual of Tau Beta Sigma was revised to reflect the changes in the membership of the organization. A membership development program was also implemented, providing chapters with suggestions and information on the recruitment and education of Prospective Members and Candidates.

A new Tau Beta Sigma March, published in 1990, Crest of Allegiance by Robert Foster, was commissioned through a donation by Elizabeth Ludwig Fennell. In November 1991, the National Councils of Kappa Kappa Psi and Tau Beta Sigma purchased Stillwater Station, a former Santa Fe Railway Depot, to serve as the National Headquarters. The start of the position of Tau Beta Sigma National Chapter Field Representative was created to assist with Chapter visitation and education, in 1993.

In 1995, at the National Convention in Orlando, Florida, the Sorority joined together to kick off the celebration of the Fiftieth Anniversary of Tau Beta Sigma. Many special anniversary activities took place including: commissioning a bust of the founder, Wava Banes Henry, initiating a National Sisterhood Week, and burying a Time Capsule on the grounds of Stillwater Station.

One of the main focuses of the 50th Anniversary Celebration was to begin laying the foundation for Tau Beta Sigma’s next 50 years of service. Technological advances assisted with communication reports and plans for a new marketing strategy to revitalize membership were developed. A Mission Statement was created and then in 1997 a Strategic Planning Team was formed to allow the
organization to participate in long range-planning and goal setting. This type of global thinking was introduced to all levels of the Sorority and has made us more efficient and successful.

Reflecting the goals of the Mission Statement, the Women in Music Speakers Series was initiated at the 1997 District Conventions. This series features open discussions with women who have made important accomplishments in the music industry. The Women in Music Speaker Series was brought to the 1997 National Convention when composer Anne McGinty addressed the delegation and again in 1999 when composer Julie Giroux spoke to those in attendance.

Tau Beta Sigma continues to grow and flourish in the 21st Century by reflecting the changes within the membership, society, and the needs of the American Bands.

...that we exist to serve bands and promote women in music. We work together with other musical organizations to ensure that students have multiple resources to access and opportunities to serve, teaching our students to build relationships and partnerships on a personal and organizational level. Today, Tau Beta Sigma is a co-educational national honorary band sorority dedicated to serving college and band programs. The Sorority, headquartered at the historic Stillwater Station in Stillwater, OK, numbers 3,000 active members in 140 active chapters, and over 40,000 alumni. Tau Beta Sigma operates primarily as a student service and leadership recognition society whose chief aim is to assist the Director of Bands in developing the leadership and enthusiasm that they require of their band. Their goals are not only to provide the band with organized and concentrated service activities, but to give their membership valid and wholesome experiences in organization, leadership and social contacts. The honorary nature of membership is based on the premise that “it is an honor to be selected to serve”—this band, its department of music, its sponsoring institution, and the cause of band music in the nation's colleges and universities.

The Sorority’s mission is as follows:

*We provide exceptional service to collegiate bands and promote equality and diversity, including empowering women in the band profession. We cultivate leadership, educational achievement, music appreciation and community development.*

**Tau Beta Sigma Purposes**
Be it known that Tau Beta Sigma, National Honorary Sorority for members of the college band, is an organization operating exclusively in the field of the college and university bands, for the following purposes:

1. To promote the existence and welfare of the collegiate bands and to create a respect and appreciation for band activities and achievements among the listening public everywhere.

2. To honor outstanding members of the band through privilege of membership, in the Sisterhood, extended in recognition of musical achievement, demonstrated leadership, and an enthusiastic approach to band activities.
3. To develop leadership through active participation with the band, and through it, to strengthen those traits of conduct, thought, and idealism which characterize the responsible membership of the band.

4. To encourage a close relationship between collegiate render valid service to their band, director, and administration bands and promote a high average of attainment by the to determine if this is the type of organizational activity that is performance of good music and selection of worthwhile projects.

5. To provide a meaningful and worthwhile social experience for all engaged in collegiate band work, and to cooperate with other musical organizations and societies in every manner consistent with our mutual purposes and those of the institution at which chapters are located.

Recruitment, Membership Selection, and The Membership Candidate Orientation Meeting

- Plan your recruitment events to provide a variety of opportunities for interested band members to get to know the Brothers of the chapter. Be sure to explain to interested band members what the chapter is looking for in a member!
- If the chapter does not have a process, create a way to evaluate potential candidates. This could be guidelines, a rubric, qualities of a brother, or other tools to help assist the chapter in decision-making. According to the National Constitution 6.503, A band member may be offered entry into the National Membership Education Program: The Road to Wisdom of the Fraternity after the satisfactory completion of one (1) term as a member of the college or university band unless exception is made by the Chapter Sponsor. The band member shall possess unusually good character and demonstrate leadership potential.
- According to the National Constitution 6.504, Eligible individuals shall be permitted entry into the Membership Education Program at the request of an active or associate member of the Fraternity. A negative vote of twenty five (25) percent or five (5) members, whichever is greater, of the eligible active and associate membership shall be required to prevent a person from entering the Membership Education Program of the Fraternity. If a person is rejected on a second ballot in the same meeting, the name shall not be proposed again during the current academic year.
- Once membership candidates have been voted on, distribute invitations to membership to interested band members. This should include information for attending the Membership Candidate Orientation Meeting.
- The Membership Candidate Orientation Meeting MUST occur prior to First Degree. Failure for this meeting to take place may result in disciplinary action on the chapter. The purpose of this meeting is to explain all requirements of candidacy, membership, financial obligations, and to review all risk management policies prior to First Degree. This provides an opportunity for interested band members to understand all of their obligations up front, and to decline an invitation to membership, if they so choose, prior to First Degree and learning any ritual secrets. There should be at least 8 hours between Orientation Meeting and First Degree, if not 24 hours or longer, so that individuals can say no.
- Be sure that you have enough membership candidate pins for First Degree!
First Degree

- Membership Candidacy begins at First Degree and ends at Third Degree. Be sure that you submit the membership candidate registration by 7 days after First Degree in the OMRS.

Membership Candidate Process

- The First Lesson must be taught FIRST. The Final Lesson must be taught LAST and can occur before or after Third Degree. All other lessons in between can be taught in any order, combined, or broken apart, provided that the Summary of the Week’s Information for each week is taught at some point in the process.

- You cannot remove any content (The Summary of the Week’s Information) but you can add content. You can choose to remove or not use activities, guiding questions, or membership candidate responses.

Assessment in the Road to Wisdom

- Tests are NOT to be used in the Road to Wisdom. However, you can use the following to help assess a candidate’s progress in the Road to Wisdom:
  - Formative Assessments
    - Guiding Questions
    - Membership Candidate Responses
    - Lesson Review Sheets
    - Exit tickets
    - Games – Kahoot, Jeopardy, etc.
    - Interviews or Class Discussions
    - Essays
  - Summative Assessments
    - Membership Candidates must complete a service project, fundraiser, and portfolio project as part of the Road to Wisdom. The chapter may choose to add any other requirements, but they must be submitted as activity reviews.

Engagement

- Lessons should be relaxed and feel like a workshop.
- Be purposeful – start and end on time. Use timers to help keep yourself accountable.
- Create an inclusive, safe environment where candidates can ask questions.
- Involve the chapter or District/National leadership in your lessons. Bring in other people to teach lessons or share experiences.
- Use technology, videos, or other innovative ways to teach information – be creative! If you do not like the way information is presented in the book – teach it a different way.

Third Degree & Post Initiation

- Be sure that you have membership pins for Third Degree.
- Initiate Registration is due 30 days after Third Degree.
- Plan for re-teach and continuing membership education for new brothers!

Appendix L
BIG BROTHER GUIDELINES

If implemented correctly, the Big/Little Brother program can be an important part of the Road to Wisdom. Not only because this can establish meaningful ties between the Membership Candidates and the Chapter, but individuals serving as Big Brothers provide a closer, less intimidating relationship to the Membership Candidates. As such, they are called upon to serve as a mentor, counselor, advisor, and most importantly, as a friend. The Big/Little Brother relationship can be very close and promising for both individuals.

However, in no way, shape or form, should the Big Brother feel that they have ‘power’ or influence over the Little Brother. While the Big Brother serves as the “anchor” for their Little Brother, they are in no way their “superior”. Furthermore, once a Membership Candidate completes 3rd Degree, everyone in the chapter should be viewed as equals, with all members holding full and good standing within the organization.

To be successful, Big Brothers must realize the importance of this relationship and devote sufficient time and energy to its establishment and development. Choosing individuals to serve as Big Brothers warrants thoughtful consideration and careful selection. Membership Candidates receive greater benefits from involved, responsive, energetic and enthusiastic Big Brothers.

Individuals should, therefore, demonstrate the following traits:

• First, Big Brothers should be outstanding members of the Chapter, the band program and the college/university. Individuals who are delinquent in Chapter responsibilities, continually arrive late for rehearsals or earn deficient grades in their classes should not be selected.

• Second, Big Brothers should demonstrate leadership qualities and positive attitudes. Only those individuals who continually contribute to the Chapter and the band program, and constantly display a positive attitude should be considered.

• Third, Big Brothers must be fully aware of all Risk Management policies established by the National Council. If needed, additional compliance training may be required of all Big brothers.

• Finally, only those individuals who wish to serve as a Big Brother should be selected. Ask the individual if he/she wants the responsibility, given the expectations. Ask the individual to make a commitment to the Membership Candidate. Big Brothers must be enthusiastic about this responsibility and must realize that the commitment extends beyond the Road to Wisdom. Their requirements should be provided to them in writing, so the expectations for Big Brothers are clear. (See Big Brother Requirements provided.)

Once individuals are selected as Big Brothers, they need to be introduced to their Little Brothers.
This meeting does not have to be a formal ceremony. However, it is important that the Membership Candidates understand who their Big Brothers are, and why this relationship is important. To this end, it is advised that Big Brothers take an oath before the Membership Candidates.

**Big Brother Oath:**
“I, state your full name, understand that as a Big Brother/ it is my responsibility to act as a mentor, advisor, and friend to my Little Brother/ and that I share with them my knowledge of Kappa Kappa Psi. I promise to help my Little Brother become a better person/ worthy of being initiated in our great Fraternity. I will instill in them a sense of personal responsibility/ consistent with the purposes of Kappa Kappa Psi/ not only through the wisdom of my words/ but through the integrity of my actions.”

Furthermore, the following guidelines must be followed, should a chapter decide to use the Big/Little Brother concept:

- Only the terms “Big Brother” and “Little Brother” are appropriate. Other family terms, such as ‘mother’, ‘father’, ‘son’, ‘daughter’, etc. are inappropriate, as they can be misconstrued in a way that makes our fraternity appear insensitive and opposed to the culture that we live in today.

- If your process for selecting Big/Little Brothers is not listed in these guidelines or if you are unsure if it is line with our Risk Management policies, submit an official Activity Review with the details of your selection process.

- If you have questions about how to select Big/Little Brothers, email the Curriculum Committee at curriculum@kkpsi.org.

**Tips for Being a Successful Big Brother:**
- Make certain to spend “quality time” with your Little Brother. They will value this special attention, therefore avoid letting others interrupt this time.

- Be a “mentor” by showing genuine fraternal caring and interest. It is not necessary to shower your Little Brother with gifts in order to win their friendship.

- Appreciate your Little Brother for the unique individual they are. Remember that it is not your responsibility to change your Little Brother’s personality, or make them “be like me.” Your responsibility is to provide them with sound advice, knowledge and an open ear.

- Take advantage of opportunities for informal communication throughout the entire process. Ask your Little Brother questions about his/her life, family, work, classes and interests. Band rehearsals make excellent opportunities to develop your relationship.

- Share your own history and involvement in Kappa Kappa Psi. Describe to your Little Brother your experiences as both a Membership Candidate and an Active Member. Tell them about the benefits you have received from being a brother.
• If you feel that your Little Brother is not doing their part as a Membership Candidate, have a conversation with the VPM and attempt to resolve the situation. It is not necessary to make the entire chapter aware of the issues that one person is having, as it could have a negative impact on the Little Brother’s future in the fraternity.

Mental Health Concerns:
• Be aware of how your Little Brother is doing and check up on them often. Don’t just ask them “how are you doing”, but follow up with something like “seriously, how are you really doing?” You never know when someone may be struggling with mental health issues.

• If you sense that your Little Brother is struggling with school, the fraternity or life in general, be there for them and allow them to vent their frustrations and concerns to you.

• IMPORTANT: If you feel that you are not equipped to give advice to your Little Brother on the issues that they are having, encourage them to seek help, or make an appointment with the counseling center on campus. All colleges/universities have resources in place for students who are having mental health issues.

Big Brother Selection Process/Ideas:
While there is no one standardized method for the Big/Little Brother selection process, it is highly suggested that each chapter be very thorough in their procedure. We often say that the most difficult thing that a brother should do throughout their time in Kappa Kappa Psi is receive a bid in the first place; this ensures that we are always living true to our creed and honoring outstanding band members, through the privilege of membership. Similarly, we should honor outstanding members of the current chapter, through the privilege of training the next generation as a Big Brother.

One thing that you may want to consider is having an application/interview with each prospective Big Brother, to see where their heart is with regards to the process. Some great examples of questions can be found below, courtesy of the Gamma Iota chapter at the University of New Mexico:

Big Brother Application: Sent to all of the active brothers. They can choose whether or not they fill this out. They are not required to take on a Little.

1. What is your name?
2. Who would you like to be your Little Brother? (Top 3)
3. Why would you like a Little Brother?
4. What does being a Big Brother mean to you?
5. How would you benefit each MC you picked?
6. List some of your hobbies/favorite things (I.e. TV shows, foods, etc.)

Little Brother Application: Sent to all MCs. It is required that they fill this form out. Time is given during ed classes, so there isn't an additional “assignment”:

1. What is your name?
2. Who would you like to be your Big Brother? (Top 3)
3. What do you think a Big Brother is? What should they do?
4. What would you like to see out of your Big Brother?
5. Why do you want each person (from #2) to be your Big Brother?
6. List some of your hobbies/favorite things (i.e. favorite TV shows, foods, etc.)

Big Brother Removal/Reassignment Process:
Unfortunately, there will be times when a person who was selected as a Big Brother will not be able to complete their duties as assigned. This could be due to unforeseen circumstances in the life of the Big Brother, or simply because that person is not doing the job that is required of them, for whatever reason. Should this be the case, the following steps should be taken:

- The VPM should talk to the Little Brother of the Big Brother in question, especially if the Little Brother reported to the VPM that they are unhappy. Find out how things are going and why the Little Brother is having problems with their Big Brother, whatever they might be.
• The VPM and the Big Brother should sit down and have a meeting. The VPM should express their concerns with the Big Brother in question, but should allow the Big Brother to explain themselves and what is going on in their life. It should be a conversation, not a berating of the Big Brother in question.

• The three parties should then sit down and have a group discussion about how things are going and what needs to happen next. It is hoped that through a meeting of all parties and with all feelings presented openly, that the situation will be resolved and the relationship can resume as it was before.

• If the situation cannot be resolved and the Big Brother needs to be replaced, the VPM should then discuss the situation with the other members of the leadership of the chapter, as well as the chapter sponsor. It should then be determined if they are going to present the situation to the remainder of the chapter, or handle the matter internally and simply select a replacement Big Brother.

• Should the decision be made to present this situation to the chapter, the VPM can either select another Big Brother from the applications that were presented the first time, or call for another round of applications. Should this not be feasible, either the VPM can choose to become the new Big Brother, or a member of the chapter who currently has a Big Brother can take on a second one, should that person feel that they can handle the responsibility of two Little Brothers.

**Suggested Big Brothers Requirements**

The following guidelines are suggested requirements for Big Brothers. Any changes or additions should be submitted as an activity review.

Big Brothers are Active Brothers who volunteer to serve as mentors to Membership Candidates. Brothers who are selected as Big Brothers are expected to be upstanding and enthusiastic members of the Chapter, the band program, and the University. Big Brothers should also be prepared to devote a great deal of time to the MEP, as they are active participants in the process. In accordance with this ideal, Brothers seeking to serve as Big Brothers will agree to the following guidelines:

• You will attend at least 4 of the 6 membership education classes. Your attendance is also required at the final interviews, membership voting, rituals, and at least 2 of the Class’s 3 projects.

• You will be an active participant in the class process. You will engage in all class discussions and contribute without prompt. As with other Chapter functions, electronics and outside work are not permitted during class time.

• You will keep up-to-date with your Little by meeting with them at least once per week. This meeting may take the form of a meal, a study session, or any other activity conducive to one-on-one time and appropriate given the ideals of the Fraternity.

• You will put yourself at the disposal of the Ritual Chair during the preparation for, and teardown of, all rituals. You will do everything in your power to ensure that your Little has a positive and engaging experience with rituals by assisting in their execution.
As a Big Brother, your primary objective is to serve your Little Brother as a mentor, and to ensure that the membership education process is pleasant, engaging, and educational. Your signature below indicates your intent to adhere by these guidelines throughout the membership education process.

APPENDIX M
OFFICIAL FRATERNITY JEWELRY

Membership Recognition Pin – A gold lapel pin of the official crest or coat-of-arms, sometimes referred to as the “Cofa.” Each of the symbols on the crest have a special meaning to our members, their relationship to the Fraternity, and the mission of our organization within your college or university band. Become familiar with the Cofa of Kappa Kappa Psi so that you can recognize it on sight. Fraternity members wear this pin as a means of recognition signifying their continuing commitment to the ideals of Brotherhood.

Enameled Recognition Pin – A “colorized” version of the Membership Recognition Pin, twice its size with decorative enamel highlights. It is designed to be worn on informal occasions. It is neither to be worn alongside or instead of the ‘Cofa’ Pin or Crown Pearl Badge, nor is it intended for Ritual or Chapter ceremonies.

Crown Pearl Badge – The official means of identifying oneself with the Fraternity. Unlike many other organizations, purchase of the Crown Pearl Badge is optional in Kappa Kappa Psi. The symbols of the badge have special meaning to the members of the Fraternity, and it is worn in the same manner as the recognition badges of other Greek-letter organizations: over the heart, pinned to the shirt slightly above the pocket, slightly towards the button-line. It is not to be worn on sweatshirts, sports uniforms, or on the band uniform.

Appropriate attachments may be affixed to the badge, showing both the Chapter’s Greek-letter designation and any offices held by a members in the Chapter.

Official Key – A gold key, inscribed with the most significant of the Fraternity’s symbols. Originally worn on a key or pocket-watch chain, in recent years individual members have had it affixed to tie-tack, tie-bars or pendant chains. It is often given as a token of appreciation for special services rendered, although it is available to the general membership for their own use as an item of personal jewelry if they so desire.

Prospective Membership Pin – A lapel pin of blue and silver, with symbols inscribed thereon that identify you as a prospective member of the Fraternity. It is to be worn either on the lapel of a suit or sports jacket or in the same manner as the Crown Pearl Badge. Any exceptions for other occasions or situations will be explained to you by your membership education trainer.

Recognition Bar – A gold bar, enameled in the Fraternity colors of blue and white, which is designed for wear on band uniforms, band jackets or sweaters. Only initiated members of the Fraternity are permitted its use and it is an optional item of personal jewelry unless otherwise stated as the accepted policy of your chapter. It is a means of identification and should always be worn when visiting with other college or university bands. By this fraternal sign, a Brother from another active Chapter can make him/herself known to you, and your own acquaintanceship with others having similar interest or concerns will be increased.

Life Member Pin – A gold circular pin with a blue enameled border. On the border are the words “Life Member.” In the center of the pin is the Kappa Kappa Psi crest.

Badge of Mourning – An official recognition ribbon worn in the remembrance of brothers who have passed away. It consists of fraternity regalia pinned through a black ribbon 5/8 inch wide and two inches long. The Recognition Bar is pinned through the full length of the ribbon, whereas the ribbon for all other regalia is first folded in an inverted V-shape, then pinned through the middle. The Badge is worn at the discretion of the Brotherhood.

Fraternity Flag – The Greek letters are printed in an arc on the top half of the flag with a white background. There are three overlapping stars in the middle of the flag and bottom of the flag over a blue background.

Fraternity Ring – A gold or sterling silver solid band ring with the Greek letters ΚΚΨ embossed on the face.

Official Cheer – Two deep solo “K” in rapid succession followed by the whole of the brotherhood replying “Psi” with voice inflection rising.

Official Colors – Blue and White.

Official Flower – Red Carnation.

Official Motto – “Strive for the Highest.”

The wearing of the Kappa Kappa Psi crest, symbols (with the exception of the membership candidate pin) and/or letters in any form, is limited to initiated members of the fraternity. This restriction is lifted in the case of articles or regalia clearly declaring, without abbreviation, the wearer as a membership candidate or a colony member or denoting sponsorship or partial sponsorship of an event by the Fraternity, provided said event is not in conflict with the precepts and policies of Kappa Kappa Psi.
